

The Empyrean Book (Poetry)
A Teaching of the Prophets and Saints

The Birth of a Thought:

1 In the beginning(according to prophecy) there was nothing and there was Spirit and there was YHVH and all of the thought of truth is absolute(In Love) and does not change, but prophecy can. With the Spirit is endless knowledge, and is attained through sight and endless wisdom as it unfolds,council that sustains giving victory,and understanding that is given which blesses but also can be surpassed by peacemakers for the peace that surpasses all understanding will guide our minds and hearts. Because there was a thought there was a being, and a heart and a mind.

2 The Lord's might has no bounds, reckoning against him contains a fear that could kill you and the very spirit of the Lord is holy and one in Love. All of these are keys to power and are part of the oneness that makes up Love.

3 There is nothing(Void) and it cannot exist without there being truth, though nothingness is an opposite of truth, all things have meaning to someone but in a relative nature they are always dissipated by the whole in what would be unity,making the world of people unstable because of sin.

4 All Gods(like judges)have been made for their purpose but only the true God, Love,can do all things, and truth is one with Love.

5 It may be so that this earth was a paradise for many thousands of years(relative time because of different motions) but that Adam and Eve may not have aged until their fall from eating of the tree of the knowledge of good and evil. For in this they have been given a sentence of death(olam)and are only able to live by honor, which in part was the law holding them because of their mistake.

6 God knows all things but how can knowledge be known if it doesn't exist yet? It is only through prophecies that truth can be known to man for it is the testimony of Christ that is the spirit of prophecy. Can it be that as we are one with God that we are used by our love?

7 Why did the Lord flood the earth if knowledge was abounding in all things? He would have had to know the people would fail, and in this his repentance in making them,but does this mean he is cruel in making them? He sees all things and is the Lord over time, thus seeing into the future, even to move through time(omnipresent) In making a promise not to destroy the earth by flood he has claimed in his heart a mistake(fault or not) .

8 We were made in the image of God and even though we (for a time) are mortal before the inheritance of the divine nature, knowledge does not exist except in Truth and in Love and nothingness must come before knowledge(attaining knowing through experience,the definition of Knowledge) or how else could we learn?

9 God must learn what he knows through experience, all though He has every means to know everything because He is all powerful and everywhere.(The Great Am)

10 Even our God learns, and we were created in His image forever to be. We were given a mind to think and this is the example of thought, even Yeshua changed his mind and is that not proof that nothingness can exist? Is this the instance of God forgetting? But it is only nothingness.

Freedom and Family

1 For I know the plans I have for you, declares the Lord. Oh YHVH you can do the impossible. I await the day for the reckoning of my soul where I might be free from all chains. Take me, God, as your servant, and give me the keys to freedom from foolishness. Through purity, open my eyes to see you and may we all be freed for those who pray to you. I pray that I am in your presence like the sparrow flies to the waters of freedom. Let all the old self pass and a new self be created in me,in Christ, so that I may drink these waters of freedom.

2 Oh the patterns of life, the puzzle given into the hands of free willed men, and each life a piece. Not to believe in it would be a chain without truth and without truth comes condemnation and we must have faith to be saved.

3 If people follow the way of freedom from death eternal by honoring God, it will be like a life sap to our branches. Does not the fear of the Lord cleanse? Does a child return to his path? These things in the order, honoring God, brings freedom. Bring forth your everlasting cleansing by your holy fire! If love can remain, even in the depths of hell we can turn.

4 May (for your glory) the Spirit of Holiness guide and shield me from harm. One thing I know is loving you is obeying you. Your mercy is eternal so it does not matter where I go in love for there you are. Amen.

5 I admit though I will never deliberately blaspheme, (Lord willing) should I be in you. And I have known the fear of the bottomless pit (a dream) and pray I remain holy forever be it your will I go there. Dust is your gift (Adam) and I am his descendant. Let me belong to you always, keeping my soul as I am your holy possession.

6 For it is holiness in Love that I seek with all my inner being even as you are. You are the master of all! You are the only wise God of heaven. You are faithful in your ways to me and I am yours. Let your great works be known among all nations. Let everyone who has breath, oh God, submit in unity through prayer.

7 If it is your will, May the rulings you make by my prayers for protection and salvation for your people be unstoppable and by your servants mouth be granted to everyone who will listen. (God willing, I have asked to be Guri Arik Israel and should I have to face him (the Dajjal), before the seven trumpets let me contend and win. Hide me in the cleft of the rock and restore the years the locusts have eaten. The Lord testifies of this Woe to the worthless shepherd who leaves the flock the sword be upon his eye and his arm, his right eye utterly blinded and his arm withered. Is this for my cup to drink to fight him? Or is it a dream that has fled away like the clouds in my mind. Even dying death that never dies? (Be it your will) I will hold back unrighteousness, until my dying day (Will you this, my Lord)

8 O my Healer, let my body be restored again and my heart always flowing like a river with your ways and your laws. Lord restore me and make me whole if you will for I hope this is possible in you, YHVH. (If you will) Oh Yeshua, you are truly my best friend and my redeemer. The bringing together of all family is holy. Each one of us are like a paint on the brush from God's hand each applied to the palate.

9 Even though all do not have the same importance through I Am I believe the essence is the same. Although, some have broken the link to our family and been cast aside but as we hold the truth we hold each others hands. It is written: God is not willing that any should perish. Our Father holds all of us believers dear, and longs for those who need repentance and that belong to his family.

10 The mystery that is being unraveled is that man passed down, from the gods (Judges), scriptures that have changed our lives and at times have divided us as family. Each culture has its own faith and each had a different god. YHVH, who is also the nameless God of the Hebrews, was the only God who was above all gods and could defeat all gods. He is the ultimate creator.

11 He created the beings known to the Hindus and the Vikings, the Egyptians and the like. All faiths collaborate unto the fact that they originated from YHVH who created beings that were evil and of goodness, and are subservient to Him.

12 Man has established his view of God in his way. God's people were the Jews and they will always be, but salvation has been given unto the Gentiles because of the Jews rejection of the Messiah (Yeshua) according to scriptures.

13 The words that were written as holy in the scriptures the generations of men have are all a part of the puzzle of man. Someday (Prophetically) it will all be revealed and our eyes will see the full light of this truth we have tried so hard to collect through ink and pen and those who have followed the light shall be called family.

Salvation, Messiah, Spirit, and Marriage

1 The True God was never formed to be mortal but the living God who was formed, the one to be anointed, who as appearing as the Son whose Father may have the face of white, was the only God formed in the oneness (aligned manifest).

2 In the beginning the word was with God and the Word was God. Who is also the Son (in being firstborn of all creation) and the Word was God and the Father who alone is immortal because of Allah (Spirit) who was never born or made to exist on Earth as a man. (But as Melchizedek, unborn) is the King of kings and Lord of lords (The Lord said to my lord, sit at my right hand King David-Psalms) and he will return (unknown to me) for his purpose just before the thousand year reign (that the Father gives to Him)

3 The Son will smite the wicked with the breath of His mouth in Armageddon (the supper of the Great God) which is after the time of Christ's return in which He will build (a temple, Ezekiel's) the temple and this is after He rose from the dead.

4 In Heaven, Allah gave permission and through Truth (-Colossians 1:16-17) Allah created all things and the Father (Allah's Form) was in oneness of God as Christ who was created (who is also the Father) as the spirit son as the Spirit's Image (on earth as it is in heaven) and He was in the flesh, a manifestation of the Spirit of God (the oneness, The Great I AM) and the word (YHVH) otherwise man could not be formed in God's image who is Love and Truth, and the Son is manifest in the image of the Father, if He has a changing Face (even this, that we cannot look upon the Father (but if we are pure of heart, through the Son) as we could be looking at the supreme manifestation of God which is why He is unseen, we would die, if this is a truthful vision, or it has come from Satan, and he will answer for whatever he has done by his own fault). It is said in the Quran that Messiah was taken as a Lord besides Allah and King David says the Lord said to my lord sit at my right hand and make your enemies your footstool, it should be known that Jesus is Lord but he gained that name after the writings of Paul. (1 Cor. 12:3) which is when He may have attained the name I AM, after conquering death, and after the time with his disciples, when He was called their Lord.

5 Love used these Judges to govern what truth created but only through Truth which is Allah both formed and unformed and the gods were put in charge of the creation as they trusted truth to create for them, and all things were created by Love through Truth.

6 It is true God created the soul, and the soul was breathed into a man and he breathes through his nostrils, but Solomon says that a broken spirit dried up the bones. Does this mean the spirit rests in the bones? Christ never broke a bone (-John 19:36), and he is he not the cornerstone of the house? It is impossible to build a house without a foundation, and this foundation has already been laid.

7 Oh Lord I give these teachings of prophecy to show the handy work of the Family before I came. Blessings and peace to those who gave faith, unto Mohammed and to Yeshua, and Moses and unto John the prophet and Saint Paul and unto Enoch and the Saints; Matthew, Mark, Luke and John, and unto Saint Peter and Joseph Smith and all the others that served the Truth that I did not give record of; Yeshua and Mohammed whom I blessed most may it be, I submit my will to and my prayers to protect and save the lost I give to I AM.

8 Shew us your salvation, YHVH. I pray, Lord, that my soul be shrewd like a serpent, not for craftiness to embrace the evil within me, like it once was, but for the saving of souls. (if you will)

9 Buy me, oh Christ, with your blood (The holy sacrifice) not made by man but by God (-John 3:16), who did not call your bloodshed murder, Oh Lamb of God. (-John 1:29) The cross was the altar, Christ were you not the Lamb? And is the Father the Priest? To the grave and back again, Yes, Lord you have spoken to us we know you live, even through a message of Love.

10 Blessed be the name of the lord, who we believe has risen to be seated by the LORD, of this (whom did not share His Glory) and also these two were made one in authority in Spirit. For it is written: The LORD said to my Lord, Sit

at my right hand and make your enemies your footstool. And the lord(Yeshua) was resurrected from the dead and now lives.(-1 Corinthians 15:20-28)

11 He is the First and the Last. It is written: God is not a man that he should lie, nor the son of man that he should have to change his mind.(-Numbers 29:19) But it is written and did not Christ ask the Father to take the cup(-Luke 22:42) of his fate? Lord if this is was a change of mind I say neither was God a man (Emmanuel,but in oneness) for the sake of lying(if that is to change the mind without want) Nevertheless,by the will of the Father according to the word, Yeshua the One(In flesh)

12 Let Him be the one to free us from all the chains that bind us to sin, and, if it be His will keep us in His Book of Life. Amen. Oh Great Conqueror of Death! Boundless cycles of life,Is it that every knee would bow to you, Oh Christ? Are you given a name higher than any,which no man knows? Or are you the Great I am? (Or both) It is written:Those who disbelieve have said God is the Messiah and it is true Messiah laid aside his glory in Heaven or how else could the Word be flesh? He is the Son of God as we are Sons? Or of Spirit? He is the God of Israel but it is written: You have loved righteousness and hated wickedness therefore God, even your God, has set you above your companions by anointing you with the oil of joy. Then is He not the sacrifice?

13 Then He died on the cross once for all and now his purpose is to come back to gather us to the gift He has given, eternal life. We must accept His great Lordship, because He is the Way, the Truth, and the Life. Yeshua the Messiah lives! Blessings and peace be upon you oh Messiah!

14 Let all gods be subject to the one true God on their honor. For our God's honor is eternal. Oh Father,Immortal, you alone can never die If you are not created and if your will is to the saved, will we not be but clothed in immortality, even angels?

15 In the depths of your truth let it be that I find the answers. Even letters make up a word and music a language. Everything will move by your life in perfect pattern for you are a God of Order and all gods. Until the last day let us be faithful. Let us keep the harmony of the old way, the Torah, the law fulfilled through Christ in love.

16 Let your ways be known in all the universe through your great love. Let also your blessing be perpetuated through time on your people, and cleanse us through Yeshua's blood. Harmony comes through Truth and in your eyes everything bears some unity of this cycle, even in the depths of the abyss until the last day, then everything will be made new be it your will. The sap be unto our branches always. For He brakes off the branches and grafts them in again(forgiveness) that Love may be preserved in all of us knowing the True God needs nothing, nor does He want.

17 It is said that you, Oh Christ, are One with the Spirit as you have made us One and Love, you are eternal and holy our temples are. Did this oneness exists since creation? Is God infinite? Then be it God is good and all is possible,because he is everywhere and in every time,even in the pit we could be holy for those who are like they are. (Angels) Does this exist for demons as well? It says: They are reserved in chains of darkness for judgment,even maybe an ending eternity,with judgment after. Let the hearing and seeing know,and the deaf and blind understand the light that your servant is guiding them to.

18 Let us see the beauty in Christ and learn in our minds that we were taught to spell YHVH. In the perpetuate masses of movement in perfect order shall everyone and everything exalt you oh awesome One of eternal presence. Let this eternal Spirit live in our hearts giving holy saving grace. In this we have blessed Christ because we are saved for his names sake. May forgiveness pour out from your throne as a river upon us all. Our lips speak yes, and amen to your perfect plan.

19 Let the honest man be saved. Let those who honor these blessings be saved. Mercy on all that you may have glory Lord God, and forgiveness to all that receive you. May we bring blessings and peace upon you, Yeshua, for eternity. Is it true You were granted the highest name? And there is no other besides you? Let our sins be erased for if God gave his Son,the cross is the altar and Christ is the sacrifice and His nail pierced hands extending into eternity.

20 Why must it be that temptation tests us all? Is the serpent so crafty? It says even so that you Yeshua,were tempted,(-Matthew 4:1-11) in the desert, by the evil one and the creator is absolute. How is he able to be moved?If

God is truly God then He is not tempted. But your sufferings made you perfect and you became sin to free us from condemnation. For it is written; He became sin who knew no sin that we might become his righteousness and yes all have sinned and fallen short of the glory of God(the Spirit) Do the animal guilt offerings cover the guilt of our sins? Do not forsake us Lord and let us not dishonor your death lest we perish. Let us not declare anything new in your name prophetically anymore, let each man bear his own words.

21 Yeshua, You are the very manifestation of God in flesh, the Bread of Life, if any man eats of this he shall live forever! The scripture says if any man has seen me he has seen the Father. Oh Son of Man how you are lifted up, even to the right hand of the Father, Now, look what you have become!

22 You are the God of Israel! You are the Alpha and the Omega in the Oneness, In your life your mind could fathom all things but your soul however was the soul of a man, filled with the Holy Spirit. You put aside everything of glory just to be with us and dwell among us But the fullness of the Spirit was in you, You spotless Lamb, and you were still the God of Israel, just as we are gods(Judges) if you tell the truth.

23 Was it because of your oneness with the Father? Lord of Hosts, you were first created and you were brought to earth by the Spirit of God and were conceived by the virgin Mary, made to obey. In this let us be led by your righteousness, Oh mortal Yeshua. For you say: the Son is one with the Father just as we can be. But David says even in Heaven there shall be a council of gods and we shall make even peacemakers to be called the Sons of God, by your word, but those who say they make peace having broken the peace that surpasses all understanding by revealing peace(make war) Lord, Peace, be it your will.

24 In everything let there be unity, in prophecies and in love. For everything I have written let there be abolishing in falsehood and redemption in truth. For every word we speak is known and moved somehow in the spirit and every word is judged by the spirit. You speak I AM for that he is and this is everything. Let all prophecy I have only be valid with two witnesses otherwise it shall be failed and not brought to light, even in false teachings, which have now been redeemed. In the spirit there is only love through truth and nothing else all other spirits stand bound at the throne in judgment. And so let my prayers be God as I am willing.

The Living Stone and Hell:

1 Oh dead of dead whose bodies must decay, who were of old, present now with the Lord Oh Lord we bless the living stone who teaches our belly is not our god and our shame is not our glory, when the Lord shall be in heaven and will torment the damned in the presence of the holy angels, is your belly the very connection to those who are damned? Is there a being who can be saved from hell but not the lost? It is written that only the sons of perdition are lost forever but love is everywhere, yes lord but you do forsake those who forsake you and you do not listen to those who sin and will not repent. The worms of fire in the lava of hell and the worms of the earth are they the same? In crystal light I can see the worm like rainbows. Bones without flesh but only skins who wash in the fires of hell and bodies true unto you oh Lord even those sent to Sheol can be saved even through the rod.

Of the Kabbalah and Babylon and the 144,000;

1 Know that God(The Spirit) shall always be God and moves in all things, and Elohim is like being together one as God is one and God moves in Oneness. The YHVH was the first and only God formed(by the oneness of love, afterwards gods in the oneness were made by birth) and as the Son was His first created. Also, The mortal shall become immortal and some will be messengers, some may sit with Christ on his throne, they will share in power but cannot overtake. It will be that he will be like a mother and they will be like a child nursing the milk of power. All of Israel shall partake in Salvation in the end times because all of Israel shall be saved. Jerusalem is likened to Sodom and Egypt, (-Revelation 11:8) there are dogs and witchcraft that gave the true gospel a likeness of falsehood though it may not be of fault.

2 So if you let a man be righteous, should those testimonies of John of Patmos and of Paul be true, Men have come and in the end times will teach the true gospel(converting those who should be baptized into serving the order of Melchizedek and into serving the Lord) and they follow Yeshua wherever he goes, They were to be virgins and they are to be without guile in the mouth.

3 These are those that are to according to the word,sealed which number one hundred and forty four thousand and are God's first redeemed from among men. Also the dead in Christ will rise first,who are near(before or after)Armageddon,which is after the fall of Babylon,which fell in 539 BC by Cyrus the great,and also The Great Whore(who is spiritual Babylon, which fell also)

4 After the resurrection the 144000 rose,which has happened. After Christ's resurrection they rose being first fruits to be sealed before the thousand year reign, Blessed be these first fruits of God. These reign on this earth preaching the Gospel to all who will receive it.

5 Babylon(literal) itself and her destruction was after the time of messiahs death,and the city does not remain and the great tribulation will not last long. The beast who will be wounded by the sword(-Zachariah 13:7)He receives the death wound,but mortal man may not know when if it is staken in truth beyond the mind. After his revealing that lasts only forty years(or days) after he reigns(if hadith be true) and he is revealed after coming out of the bottomless pit, (-Revelation 13:1-18)And He is likened to all three of the first three beasts of Daniel because He has the mouth of a lion(babylon) and is likened to both a bear(medo-Persia) and a leopard(greece) and he will be a world power.

6 The reigning with Christ for a thousand years is prophecy that will happened according to Revelation and when the temple (-Revelation 11:1) which was a literal temple measured and then they(Angels,Gods army) return to fight the wicked in armageddon, the antichrist is wounded by the one chosen(if in the time of Solomon 200-100bc) and after Armageddon(which is not the same as Gog and Magog),is thrown to the lake of fire.

7 The antichrist will be wounded in some way(Rev.13) and the false prophet will place an idol(which is the Image of the Beast) and the statue will live and cause to kill any who will not worship it,which will be a grave sin.

8 Those who reign with Christ(the High Priest)among them are those that are chosen into the order of Melchizedek who did not receive the mark of the beast(a tattoo) or the name of the mark or worship the beast or its image, also those who are forgiven and grafted back in who do not do it either(Rev 14:9-12),also those that martyr and those who are saints on thrones (the elect and the redeemed, a chosen people,living stones)God willing.

9 Also those that are from the 144,000 (Hebrews)are chosen because You say that they are the only ones who have no fault before the throne of their time,they are the blameless .And some believers might never die. Blessed it be,all things written are true of the testimony of two men,then it shall be.

10 Those who are of the presence of the Son shall become as angels who do not abide in the law and do not know prophecy who receive the gospel in prison,also the 144,000 and any disciples unmarried will be angels unless they can attain status as gods(not the gods that were set there),given the tongue to move(eternal marriage, even to christ)but no one who is a eunuch shall marry until the after life(if at all)which is life after the first resurrection, in where there is time and eternity,let it be(be it your will) that those who marry eternally marry once for all time(if Matthew is corrupted,or the force of it is finished out of this world, after the first resurrection), when it is of full force,it is said they know not the power of God or the scriptures, God can do the impossible(D&C 132)

11 Recorded in the book of matthew is the testimony that you cannot marry in the resurrection,but the book of mormon states there shall be marriage outside the resurrection.The saved of the 1000 reign will be angels/gods and the disciples and the 144,000(who never married in this life)which of some are the bride of Christ,maybe set as angels maybe they are not able to marry in the resurrection and those who let if it be your will by our hope,

12 The spiritual bodies of the departed be one after death not to decay but to be recreated and continue(by the Spirit,let no man separate what God has joined) to hold unity. If you will Lord,here is another piece to the puzzle,In the afterlife even though some are not married,they are eunuchs who inherit the kingdom and receive a monument. Anyone could attain the keys to this priesthood(divine nature)whom God has chosen who are baptized but only those that be of the order of Melchizedek and are part of the church of the firstborn according to mormon teachings, can confer the keys. They are some of which are chosen as martyrs,which are also like the first fruits, the rest of the changed believers will follow those Elect(first fruits,144,000,and those who grafted in,a chosen people)who are those chosen by grace, also saved are those who were pulled out of the great tribulation.

13 They will become martyrs and are a part of the first resurrection. The dead in Christ rise and the rest will be caught up into heaven before Armageddon. The great tribulation, which is after the resurrection of Christ, even those grafted as they believe in the law and prophecy could rapture,

14 Those who learn prophecy can attain (God willing) celestial wives and become God's if they repent and baptize. Then there are those that have not known prophecies, who have not denied the Holy spirit (who is a spirit of Allah, who is in the oneness) which are given to hell until after the first resurrection is over that have not repented and did not abide fully in the law. It may be they had forgotten the law and cannot serve as priests, which could be true of those in need of your blood oh Lord. At the resurrection of Yeshua Hamashiach, the 144,000 rose from out of their graves. And also it is written: At the sounding of the trumpet the dead in Christ shall rise and the living shall be caught up in the air, this may happen after Babylons destruction as when God wills but the hundred forty four thousand are the first fruits, risen for the resurrection as Christ commands.

15 Oh like Lambs, dear Yeshua you redeemed the 144,000 from among men by blood and grace and also those who humble themselves, ye are blessed. The rest of the living only attained salvation (which is after the building of ezeiels temple) by seeking the gospel with all their hearts for there is an absence of law, be it His will, and the lawless who of some are martyrs. It is that those who repent and have not served the antichrist and then also these that are called the great multitude and are saved by the Lord which is before the thousand year reign begins ascending though forgiven, they are not of the 144,000, which shall be of the holy city along with those who are of the celestial glory (New Jerusalem, which is crafted at the same measurement of 144,000.)

16 The Branch (Messiah) will build the temple, (at some time, maybe the one made without hands, it will be measured, which could be Ezeiels) And the Levites and priests were divided, Christ dies for their iniquity but swears by the uplifted hand the Levites (non priests) will bear the consequence for their sin (which may be how they serve in the temple) and He ascends (when) to mount Zion and raises the dead and will call home those saved and the dead in Christ and raptured will be saved after the image of the Beast was placed which is the statue of the antichrist, which will cause to live and kill those who do not worship it.

17 Because the two witnesses (during the time of the beast) preceded the thousand year reign, even the 1260 days which is after the first placement of the abomination of desolation that Antiochus placed, which may not be the image of the beast (-Revelation 13:14) we know the beast has already come (possibly Judas Iscariot) and was killed by a plague (which of the word plague being translated into sword into english from the greek) but will come again as a world power rising out of the bottomless pit (Lion, Bear, Leopard)

18 Let love gather us together rather than prophecy for Mohammed is the seal of prophets and prophecy only will repeat (by mistake or be fulfilled), love will decide ink and pen. There are they that shall obtain salvation but not at first, they shall be cast into hell until the last resurrection, save those of old who were given thrones and heavenly authority to judge and those God allows who are given unto the Son. The saints shall judge the world.

19 Some of them shall become martyrs for God and even are kings (some, like king David) and priests. Although the order of Melchizedek is a royal priesthood, these are they that are of the 144,000 (which are of the royal priesthood who are with the saints who judge the world) Oh Great Melchizedek, those grafted you have discerned, given like those of old who were taught of the Christ and prophecy, though some may not receive it now. They must be washed in the blood, yes even the blood of animals, although the blood of animals is not the same as the blood of Christ (who carried guilt), but yea, Christs atonement covered over time through the new covenant.

20 Those who perish and are judged but are not redeemed until the last resurrection from the evil one will be given redemption from hell if they were holy on earth, being forgiven by the Holy Spirit in the world to come as long as they are still written in the book of life by repentance through to whatever judgment is just in God's eyes after they are released from their prison.

21 This is until their punishment is fulfilled which numbered is more than a thousand years from the First Resurrection for some. If there is forgiveness in hell so be it, because there is forgiveness in the world to come but God knows how and when. All those who die in their sins can repent in prison, if ministered unto, but on judgment day if they are not in the book of life they will utterly perish. Those who have sinned deliberately against God after the knowledge of truth shall not be forgiven, their guilt shall be upon them.

22 Also there is the testimony of Nineveh(-Jonah 4:11) in that those who are deceived by the craftiness of men that did not know their right hand from their left that repent shall be redeemed, not knowing the law but honoring the Lord. In not knowing the law these can attain the celestial glory and the first resurrection if they seek the gospel, be it God's will for it is said that those who sin without law also perish with the law. If you die in the spirit then your spirit belongs to God.

23 There is the Rock of the Church(St. Peter)who was of them that believe,He was risen and is present with the Lord, from the dead and martyred. also it says that those who are absent of the body are present with the Lord. According to the scriptures, He possibly has partaken in guile in the mouth,fault or not,but he was a disciple, Lord let it be that you are willing to martyr those that seek you with all their hearts.

24 Behold! Moses and Elijah at the Mt. of Olives appeared to Peter,James and John, and Moses body was disputed between Michael and the evil one. Samuel in the grave,but yea appeared to King Saul. Abraham will soon be living again and his holy dwelling places, Yeshua Hamashiach of whom it is written: My holy one shall not see decay,and the words of Daniel how some go into hell and some into eternal life! Of the Prophets, and those who believe them, they shall be yours at the first resurrection oh Lord because they are dead in Christ and these shall rise first some even without martyring because they believed in prophecy and sought the gospel with all their heart and they too will have the fullness of the Spirit of God. This is my testimony. Shew us your light Lord.

25 There, Let that I have sorted more pieces of the puzzle, Help us assemble it! Grant us Salvation and consider your servant. Is it the truth that Yeshua did not come to abolish the law but to fulfill it?(and since then Yeshua even held different law(not obeying Sabbath,not in fault but the law of love.) It is written: for all those who know the law they are under the law for those who do not have the law they are not under the law of Moses but guided by their faith, which is the evidence of things unseen and the hypothesis of truth without knowledge(Faith)

26 In lack of want the mystery of godliness is at hand in honor,For in this they do not have to obey testimony of the law which is acknowledgment of the truth,only have the truth by faith not knowledge prophetically which contains the law. Therefore these shall not know good from evil. Moses brought the law but Yeshua brought grace and truth. You do not have to know the law to know truth.

27 Law is the knowledge of sin and love believes all things, in this then the righteousness of God is fulfilled because faith is not a spirit of God, knowledge is. The Knowledge of sin existed to give free will but Yeshua gave faith to overcome the works of the evil one by excusing us from the knowledge of sin through faith. Therefore is has not become an obligation to know sin only to believe.

28 The righteousness of God is manifested and if you love God you shall obey his commandments, and without faith it is sin. Yeshua brought the fulfillment of the commandments which is to love God with all your heart, mind, body, soul and strength and to love your neighbor as yourself. Let honor and choose then how you shall serve. I may not know what I write but these things are ancient and Lord let it be that the words of the ancients are one even as my words are one.

29 If it is your will that I know the law and prophecy let it be. If I only have but Love before I die I shall be changed before you, a new creation. Yes, lord, I must bow the knee to you and be faithful, for this is obeying your commandments this is what is written and this is my hope. In this, all these shall be saved. I know there is forgiveness in your hands and lord I know I must one day be made a spotless lamb, a living sacrifice, holy and pleasing unto you.

30 You are the Judge of All, Almighty, and everyone whom you do not record shall perish! If any damned had but known a simple rod at youth could have been their discipline and their salvation! But alas, each man by his faith, for it is not by works that we are saved but by grace. Woe to the man who dies in his sins but after the grave there is mercy, for his mercy endures forever, and may the Lord grant mercy to the humble.

31 Thank you lord for your Mercy, but woe to those who sin deliberately after the knowledge of the truth, (-Hebrews10:26) to know the Lord(Christ)for salvation is lost. Knowing truth and knowing the law are

different. The law is a testimony of truth,namely Thou shalt not murder. This is not an absolute, it is true we shouldn't murder but it stands as a commandment in prophecy not as an absolute, because it is not truth whether or not we should murder, only of a true saying(Testimony)and prophecy may cease,It says not one jot or tittle will change until the end of the world.

32 Thanks be to God for the blessing of salvation that was given to those who love God! To the dead oh Lord send down your ministers and give them repentance give them your word which they forsook once so that they can hold that which is so precious and cool the fire. I plead that these alive would just listen and start to repent and realize the gospel for as long as we are pure in spirit, believing, we can be saved. Then we will be born of the Spirit, just like the one of a virgin!

33 So the painting is painted and the Son holds the brush the the Spirit moves the hand. For if he is born it would be like us. For we are as a Father's child not in the flesh as one is drawn from the womb but as one is drawn from the sky(likeness) So it is with the spirit of God. Nevertheless, if within your yokes brethren is a curse or if your brother stumbles then it is not to say. He is called the Father because he conceived by the power of God and the Son because He was born in the flesh,Be it truth. Yeshua is like a lantern, a holder of the light. He is one with this Light(Elohim, the Great I Am) and it moves as one, and which through this oneness makes up God.

34 Oh Alpha and Omega who dwells in the heavens, You manifested in the flesh as Yeshua Hamashiach, the Second Adam and were likened to the first made man in the flesh, Adam,from dust, who was made in the image and likeness of the Lord.

35 Your Adam had no sin, he would have lived forever, but then he ate of the tree of the Knowledge of Good and Evil. A world of sin upon his shoulders, for God took away his right to immortality in the Garden because of his sin and now the world must bear it. May God have mercy on you,Adam.

36 Now evil one, You old serpent, cursed to crawl on your belly, you have rejected us!(fault or not) Do you want to destroy Adam's seed? Do you think you are as wise as a God? And it cost a third of God's angels. They were cast out of Heaven and to this day remain as your demons,by the word. Thank you Michael for your army has prevailed against the rebellion and now are with God in Heaven standing around the throne worshipping.

37 Father, You elected Yeshua,The Second Adam to bring life to this world through his Spirit. Now the seven spirits of God are the Lord's eyes,the eyes of the Lamb and they are of Yeshua(Because of His oneness) anointed by God. (And according to Enoch) Michael, Gabriel, Raguel, Uriel, Raphael, Saraquel, and Remiel, they are his watchers.

38 I have asked perfect love as my hearts desire so I may be a lover in all ways pure.Why would we need war when the heavens are made new? God you are one together Spirit, even always. The Lampstands (churches)are directed by the seven angels which that are of the seven churches of God (which are in the hand of the Lord)and will shed light to the living.They are one as the spirit of truth is one. Yeshua, Honor be to You with your new name which no man knows,Now you sit on the throne, one with The Father. By this Oneness God you are. This is the Elohim which is the oneness of the God.

39 All things are a part of this oneness. Even the rock. You lift up the rock and it is now only a rock, And an idol! God is Spirit and Christ is this manifest spirit in a human to show us what God is, Peace and love.

40 God alone is good and forever will be. Now in the spirit decision the principles of marriage eternally lasting are decided on this: that if God joined a marriage together that no man should separate it, If a eunuch disciple could join at the resurrection then so be it, for it is that the eunuchs must not marry in this life and Christ is the authority,but God is the decider of all things and he giveth the tongue to move.

41 As for my life Lord,let my breasts be as pleasing fruits of Honor(kingly breasts, as it says the kings give suck to infants),let my fruits be kept if you seal a mate and If you do,let be it your will I will be a companion to an hour.I If I martyr let it that I be humbled in this life, let a name be given that is greater than all the sons and daughters that will not be cut off unless it be that as an angel, a god, I must be exalted as I have seeked after Love and seen the Father(through the son),be it your will let me be understood forever as the Lords let unconditional love be to the

poor through much prayer and to all willing, redemption and love, and if it be I am given over to the fires of hell, let it be I wage war for you and if it be I do not have a mate (Serenity, the archaia) let that I have been forgiven of sin and Let my memorial be glorious as a eunuch. Blessed are your promises, Oh YHVH and your will. Let your will oh God be done and the testimony of two men be true. Amen.

Absence and Self and Judgment

1 For just as the absence of self is the perfect way in Christ, (filled completely) whose spirit was God, whose being is Emmanuel, the flesh of God, so is the desired path of order. Oh empty mind and doubt, So hatred of madness why can I not hold you? In flesh I cannot be unless your spirit is within for temple I am. Like pools of water are the ways of the Lord. Oh fill me with your everlasting rain let the puddles I walk through be turned to lakes of freedom I can swim in.

2 Let not the absence of thought be mine enemy. Let mine absence be thine foolishness and my heart thine chamber. Let the law of the tzitzit, when I look upon it, be remembered unto you, oh I AM, for if I know the law, I pray you keep it for me in my absence, speak softly this through my emptiness and let my spirit be one with yours to prepare me for my test.

3 How you have kept this foolish man on the path? From the garden's cup to forever blessing- I remember drinking my cup, sweet wine to a mortal man, but Lord I think I may fail at attaining it, this cup I cannot partake it, unless it be your will. Thank you God for allowing me to restore honor and supplicate for sins even in innocence and I give my life on my honor to rid Israel of idols and refuse them the right to ministration while they bear them. I will not be responsible for their Iniquity and I warn them. Purify your people through me Lord. Let my eyes be bright in your purity that I may pierce the darkness, may it make you smile. I pray that the evil one doesn't destroy what you work in me and mercy on him for there is no Truth in him. Your servant willed poorly for the yoke of sinners was upon me, so therefore let the yoke of the unbeliever be as dross of my metal and the forged weapon divide as a sword should separating the yokes of the spiritual from those that are wasted.

4 Let me tame the holy tongue of fire with angels words and let the one who sits on the throne of envy stand not against me. Let the secrets of the gas of my bowels be the guiding of the channel of our friendship, Lord if I am a eunuch, chosen, made through faith for the sake of the kingdom of heaven, or if you help me with this secret, do I have a mate in heaven? Can I seal to someone before I die but not know her truly until paradise, being given a mate in the eyes of God? What about the disciples? Let me not be alone, if it be your will or comfort me with your love, but whatever I must be let me be saved infinitely, a god in the oneness, after I am out of this world, be it your will or if you will, and let the blessing from my parent Robert be that I can be worthy to inherit salvation (a eunuch) be it your will, this Lord or let me be as an old wine drunken, aged with care to be drunk like death never was.

5 There was my footprint in the sand by the ocean in my dreams that the waves washed away and as I walked I found agates across the beach then I was holding my scriptures and tore out the taint unwanted pages and lit a fire and burnt them and glowing writing then came from my hand inscribing the book and the old was lost and the new came in, then I awoke from my slumber I believed that my book is sacred so if you will Father,

6 Turn what would be an empty grave of my throat into a garden and let the living waters flow through it oh LORD. Let the shattered cistern not be completely broken and be built new to forever hold the waters of life! Of the sword of the spirit, let my tongue be filled with the fire of the holy Ghost, make me a mighty warrior in prayer, and as your friend, make an army of warriors like me, praying hands. Let me remain in holiness forever, never to blaspheme the holy spirit. Amen in the Father.

7 Lord, was it you and your mother I have wondered through the birds of my home and I have seen what I cannot say now but will reveal at the given time my secret My serpent speaks the law of the bible and has tried to tempt me even unto Eden's fruit and I have been led only through refusing its curse of the law to goodness and service.

8 Serving you is my highest will and by the shake of the earth as you will, and much prayer as I pray in ruling, a servant of God through his authority and forever that I am one of God's children and one day will bear an eternal right in his kingdom of heaven, though I may not have an earthly kingdom now I still have power to rule in the name

of Yeshua Hamashiach over anyone he wills. He made me to be someone of love as my hearts desire as King is for perfect love.

9 Let it be that He has set me up over those who do not worship idols as Ruler for them to obey. I may be to marry in this life but if it be I do not(or in the next) let me be a eunuch unto you and as it is I am already a servant forever. There are four things which I love and are favorite to me and they are: the rainbow for promise, the lips, for honesty absolute, Weapons for war, and time for perfection.

10 Seven things I do hate which are: Malice, for it hath swayed me,the adulterous eye,for it perverted the wedding bed, envy, as it rots the bones and maketh desire to covet, Hatred,for it separated friendship, lies for they are nothingness,pride,for it tore down everything, and jealousy, for in his nothingness the evil one made his claim, Fault or not.(against Gods zeal)

11 Let us do battle with the evil one and conquer the world. Lord the earth shook at the age of my manhood, and did you not make me a king, Lord? I am a slave to God and was to my family,If I am blinded Lord, let my wish to love perfectly forever through your will be enough.

12 Let it be that I am of the Order of Melchizedek(if I am of the baptized,or I am of another glory) if it be your will or if I burn let me be holy and redeemed in all ways, or if some prophecy be true over my life let me be delivered into paradise without being surrendered to the flames and Lord I have been led to change my name Richard Eric Spurlock but rather decided to just let be and be a servant.(Also a priest son of Aaron).I laid down everything oh Lord that I would not be antichrist unto the Lord and because of your kindness and great compassion I am willed to receive my birth given name again,but as holy unto you,God willing,But I know who I am in You.

13 So let if you will and time allows that I visit Eden and as I if it be your will Let your vengeance be upon those who refuse to repent and abide be made known through your servant unless I be of the evil one as I have thought many times before for but Let this righteousness be to serve your will and let your will be kept.

14 If the antichrist head was wounded(Spiritual government/Physical) and shall come about after the conquest of Spiritual Babylon (Tyre) it would be after the time of messiah's death and resurrection, After the destruction of Babylon then there will be the revealing of the antichrist that comes maybe when the sun rises from the west, after the Messiahs ministry at the temple and after the three and a half years of the tribulation ,Antichrist will be in reign and is to be held back and was wounded by a weapon or plague, spiritual /physical (after the time of the cross).40 years(or days) after his revealing be the hadith true, God willing.

15 The Armageddon will come and it is to be that the mark will be(if tyre is not yet destroyed) in the time of the beast, and Tyre which fell but the harp is still to be played in it and the horns will be destroyed but let to live some time after the destruction of Spiritual Babylon and the horns are in waiting, the antichrist is here Babylon was destroyed(Tyre) but many many years ago and is renewed when she will be destroyed,the beast will come, the ten horns will have conquered.

16 So far as I know we await the coming of the new Jerusalem from heaven and if it is that I do not martyr because of hating king David(Which I was against from my youth) and if I am forsaken completely being cast eternally from the book of life then let me be yet still a king, be it your will but I still look for light in the darkness oh Lord let my eyes see through the darkness still. Amen.

17 Let malice of the enemy be their destruction. I walk out of the cave and into the purest of light! You have given me eyes to see the words of the Spirit speak as it may have been my glory as it may remain and you have shown me your very hands, Yes Lord, you have given me your hands as I have asked. I know my salvation comes but alas I must teach the Truth in patience through God and I must rule this people with justice and mercy.

18 Let me for I must hold my avowed enemy Illogical and hold up the Truth in prayer for those who contain logic.It is his being. My powers Lord, may they glorify you only. Like the rainbow be it that sin is no more in our lives as a promise. Let my hands be for war but my heart be for peace. Let my mouth be stopped from lies for your glory. Let the blessings be in your will by your servant's mouth. Let my thoughts be pure and my temple be glorifying to you, oh Lord. They brake my bones like tree branches but my heart is still in your hands. If you will let

my body never fail. Your healing pours out over me from heaven.

19 When the understanding is of absence(Enoch) there is no self how then can sin exist in you? Force belongs to the beginning but how is absence force? Was it absence in the beginning with God? Absence is with both foolishness and wisdom, so is the circle of life. In folly absence becomes the lack of truth, and the attempt to fill is nothingness. When you try to fill the void with nothing, you become nothing. When you are nothing no one knows you and you cannot know yourself, nor can you know anything else, but the knowing of truth without it living in you. It is only through the mastery of the evil one(who knows the truth yet there is no truth in him)that you have any being at all. Your being is a principle of the law in that the law is truth.

20 It is written: Thou shalt not murder, and if you murder you have sinned thus forming the agreement with the I Am that your spirit becomes a stain in the book of life, not that you became present but merely that the sin itself is now manifest through principle. All sin is nothingness(only through law is it known) and all commandments bear falsehood in disobeying, once you have made the commitment to sin and are given unto the spirit of the evil one you become nothing and are convinced by(whether or not it is by fault)the Father of Lies that you must remain nothing because I is not you who is the self but the spirit of sin which is a live created and nothingness. It is only through the fear of Truth that you can be freed from nothing that you may realize that you have a blotch on your garment(sin) and that through Yeshua's blood this stain can be removed.

21 The fear only comes to those who find it. It is like finding a precious agate on the beach at the sea. You walk in foolishness until blindly you stumble upon a treasure. Just as when you were in the light as a child and you stumbled over sin when you walked into darkness, like walking deep into a cave and your light source goes out. You are deep in the cave but for some they can hear a voice calling, this is the voice of the Lord. This is the fear to sin. You might ask how did I ever get into this? It is always the temptation to want, and purely as it is the want of nothingness. Each sin bears its own reward and its own consequence.

22 The evil one, though he may not mean to, builds up against us, whether it be temptation or sin, and he will reap what he sows. So unless you can be wise and give mercy to him it enables him to have the right to victory and cause us to sin. He is absent of truth within but not of mind. Mercy is the pathway to free yourself from nothingness. Absence is not nothingness, it is when your spirit is away. Then if your heart is right comes the filling of the Holy Spirit.

23 For it is the self within we must defeat, and in that I walk the path of absence. For not to want is the only absence you desire for us. In this we have obeyed all of the commandments, the Lord is our shepherd we shall not want. All law is holy and is of discipline and all sin is of want(the lust of the flesh, the lust of the eyes, and the pride of life. It is said All have sinned and fallen short of the glory of God but if we do not want to sin then we have not sinned.

24 Idolatry is the product of continuation of want which is likened to stubbornness and witchcraft is liked to rebellion which is wanting your own way. If you do not know the truth and you want to sin it becomes rebellion and if you sin and do not know the truth but do it in ignorance, it is as an absence of the law until you know it and then it becomes sin. If you sin after you know the law, because the law is a testimony of truth, and you return your sin is forgiven, but if you do not want it then your sin is not imputed. It is only by knowing the Lord and fully defying him that you cannot be forgiven.

25 So choose then all who have breath. Is the choice of free will the absence of self? Here is what I consider that temple is hope and hope may exist, everything is true and lies are nothing, but now because of having the knowledge of good and evil we see the lies and hear them.

26 In the scriptures it is proven there will be both mouth and body and as you think in your heart so you are. Lying is also nothingness, although true in principle, look there is a lion!(in your thoughts) it is still a flower(in the eyes) but they did not know. The evil one is nothing but his form is hope, but even this is sick. The Lord and the evil one cannot exist in the same presence for nothing and something cannot be one.

27 Christ's soul being his thoughts(nefesh)is not much different than our own but his body was a sacrifice that I

pray lasts for all time. The mystery of godliness is great, and is extended in our joining in the body of Christ. That we may also have this inheritance and be peacemakers in the kingdom.

28 The secret of godliness is not to judge. The snake has but to see forever for his eyes have no lids. Pertaining to judgment, one should never speak their mind for the man can but close his eyes and his mouth and in the ways of judgment this is enough to learn the truth lest his eyes open and his mouth proclaim the same damnation upon himself as he did the soul he prosecuted. No matter how much sin you have done for the evil one he would still turn and say I fear the LORD and without repentance you would still burn forever. Turn and keep producing fruit lest thy branch be broken off and cast into the fire.

29 There is no law against the fruit of the spirit, the word lasts forever and does not change, so long as you are not filthy to keep you from sincerity. Let love be without hypocrisy. Woe to them who abide in hell forever, for such a gift is wasted. I pray none of you stay in the fire. May the Christ be your salvation. He was the one who was to be exalted for he was anointed to save.

30 This is Christ's gift to all: that he should come to die as a sacrifice that all men might be delivered from sin. According to Moses's law without forgiveness all those who sin willfully after the knowledge of truth shall be put to death,(if they do not love or portray other fruits) Let us care for those ones who go on sinning for a time to see if they will bear fruit,for it is written: branches that bear not fruit shall be cut off and thrown into the fire.

31 Brethren pray over my words, I pray any of you could take this path as faithful saints also. Believe in God and the last day. I pray I can bow with all of you in unity to Christ, who will have a name above all others. It is so holy a name that only he knows it. Of the reward, your calling and work all amounts to this even though some do not require a reward, a reward is still given. Let my reward be this: Perfect love and holiness,and let me dwell forever in Paradise, where I ask, honoring whatever my given name is as a eunuch, should you grant this, Whatever else the Father will give as his will just as this is. I desire only love as reward. I pray this: Let it be said, Well done thou good and faithful servant.

32 Love is the absolute, but how long must we suffer to hold what belongs to God. Share then this broken will in your mercies to show the path to prayer. If I swore everything to you would I still be nothing if I sin? Inside me the bones grow old but still I am in love with your circle! Let honesty in me be pure and not deceitful and if I spend time in sheol, let my glory of absence remain with me and when your will be done I shall return when you call me into your presence. Punish the lies against me double Lord and protect my lips in honesty.

33 Let my will to your people oh God be given: Repent and be baptized,Tithe,Do good deeds, and pray five times daily giving thanks at meals and meditating on the law staying in the scripture,not forgetting and making time for what is right.Pray for your cities and towns that no one send away the gospel from the founding of the town. I pray that forgetfulness not overtake you.

34 Let my will stand until the Lord makes everything new should he come back in my day. I rule that no one shall be baptized save by another who has been given the divine nature, overcoming the world, and has had the laying on of hands by another of the like and the gift of the holy spirit,sinless in nature, or the baptism is unworthy. Seek visions and prophecy and sincerity that you may have the proper authority to be baptized, in the name of the Father, the Son, and the Holy Spirit.(one God, manifest through Love, a unity)Amen.

35 Until the day of judgment let our prayers be together, brethren, in unity and whatever we ask shall be granted. Prayers for salvation and the needs of life, to protect, to forgive, and sin as little as possible, until the day when you are washed clean and you are perfect. Pray for your animals and your homes and your children in unity that we should live, move and breathe in the Lord. Tell this to your children so that they will do the same.God hates all evildoers and will have his wrath upon those who refuse his mercy.Let us keep in mind that we know his mercy endures forever.

The Zayin

1 Remember your faith is your shield and love your sword. They will help you in the darkness. If you find

yourself lost let your faith do the impossible and quench the fires of hell. To win the fight first comes the fear of the Lord(to cleanse)then the spirit of the Lord(to receive) then council (to prepare)then understanding(to relate) then knowledge(to attain) then wisdom(to choose) then might(to attack)This is a pattern of war to use in Love. Soon you will be in the arms of Yeshua if you follow.

2 May the Lord bless you, and keep you, and may His face shine upon you, and give you peace. May this message from God penetrate your hearts and you understand and forgive each other. Every nation has been destroyed before this one that has heard this message and not believed, this one will believe or follow. There is the darkness but the light will overcome it. I know you have given me the sign of the threat of death but I know through Christ's strength I am saved and have already conquered it.

3 Branch(Messiah) is to come,and directed to build the temple which may have been Ezekiel's which is possibly his heavenly temple, his body is also called a temple(-John 2:19)but Ezekiel's which is one made in the time of Christ's return which may have been(during the thousand year reign) and because the iniquity of the Levites,upon them is their shame for ministering to those who served idols,the Lord,Christ came even for them and he is who bore all our iniquity and he ruled,and the evil one will not prevail against this,He(the evil one) will be bound up in the bottomless pit for 1000 years. He is given unto destruction.

4 The order of the priests of Aaron,which is Levitical and priesthood of Son of God had taken place in Abraham's life time and so the order of Melchizedek's servants priestly reign (possibly at the 1000 year reign) will happen.

5 It may have taken place in the darkness,so came Armageddon? If this be. For the Lord slays the wicked with the breath of his mouth and had awaited for the fullness of the Gentiles to come. For those who know the truth prayer is a mighty sword, a weapon to for their hand and they must learn to wield it showing mercy where mercy is due.

6 But remember this, If one prays alone, one conquers alone, if an army is praying for the same battle to be won it shall be won, yes it shall be won, And I say if even two people pray in the name of the Father YHVH, the battle shall be won. So I went down on my knees and I prayed. I prayed for an everlasting forgiveness, and an honesty that would stand, I prayed for my life to be poured out for the cause of repentance for all those who would commit their lives to serve and for my heart never to turn to false gods. I did not pray these things only for myself but for everyone who prays who would serve faithfully if they agree in the Father on any one of these prayers with me it is done. Amen.

Angels and Elohim / The First and the Last:

1 Oh Lord , God how you are so powerful, your awesome work, But you share your power with other gods and messengers oh LORD that you have been betrayed by, it leaves us with the choice God or destruction, shall we choose of Love or shall we perish into the fiery depths of hell.

2 Oh Christ, through your truth everything was made, your truth brought about the seven Heavens of which Enoch spoke. This is our galaxy, and there are many other gods and many other places that were created by you through your son's truth. You YHVH are the only Creator. I have found your truth and testimony and hold it like a sword to defeat the dragon oh LORD let those who agree take up their weapons and fight with me, aid my cause and let us win through your victorious hand, Grant me power over false gods and loose me in the heavens.

3 Let me not be deceived by the stars wonder. For I have seen the seeming of an end of the universe in my sight but it seemed to go on, thus the cycle is complete the beginning and the end into infinity always expanding for when you exalt a spirit it an only grow stronger and have more essence,if essence of love can be greater, love is almighty who is to say if love can be more powerful? Or is love complete and never moving?I am Lifting not my eyes to the heavens but lowly bowing my head unto YHVH as a servant waiting and fearing God. My humility shall be my Salvation.

4 Soon the end will come, In the end(new beginning) here shall be no sea, surely the sun will dry it but it wont take more than a thousand years to accomplish this, during the earths life span,unless our gravity keeps pushing outward(or inward,a black star) and the earth lasts forever(it says there will be no need for the sun) we will live as

we do but with honor in mind for it(forever) will not be anymore than an instance lasting as long as it will. Let it be.

Hell, Chaos, and Prophecy(Teachings):

1 Will the light of worship exist in us always? Within your darkness oh Lord, in the circles of your once precious freedoms for to those who repent onto you, here shall be light. Let the suffering for one be for the benefit of many in the name of love, for it is written: For I am convinced that neither life nor death, nor angels nor demons, neither the present nor the future, nor any powers neither height nor depth, nor anything else in all creation will be able to separate us from the love of God that is in Yeshua Hamashiach our Lord.

2 Until those who are saved from the waiting be with the Lord they are preserved in his love. As for those who are cast into the lake of fire this shall be a full separation from God forever as nothingness, unless be his will that without blaspheme indefinite the curse would not light for there is forgiveness in his hands. For the Antichrist will make his thoughts like a wonder and his fire is like water and his water is like fire. Therefore his chaos shall become like order in the hands of God.

3 They shall long to drink the wine of the wrath of God(according to prophecy) and mock as the evil one does(fault or not/does nothingness become guilty?). It is the cup of indignation. There is a sense of destruction(If you reap what you sow)which shall be as unto the demons of the evil one. For the locusts have the faces of men with crowns of royalty and they have the hair of women, is this the mockery of the faith of men which could be the very bread of perdition because the locust is a sign of famine and destruction? Is this with a display of the evil ones power deforming(the locust)with the very image of God(human faces) and of the glory of women? Or merely a representation of the image of jinn shaped as insects?

4 The thousand year reign shall be set with the time of the evil ones binding and as for the angel of the Lord, He rules the angel/or is the angel(Abaddon) who holds the key to the abyss which is of the fifth trumpet, when the 144,000 are sealed. Then the devil brings that power to the little horn. The little horn used the 10 horns against Babylon and when Babylon falls then he (little horn) will fight in Armageddon. 1000 years later, when Christ reign of the first resurrection, the evil one is to be released from the pit and maybe those that die after this event during Armageddon which is before the battle of Gog and Magog. The dead will rise including the antichrist and the false prophet(Book of Daniel)to be judged(if His will)For those who are not in the book of life, some of their portion of destruction shall be the fast of damnation be it your will, which will remind of the bitterness of hell.

5 Let the harp of the enemy be his comfort and the worshiping to God from the damned their sacrifice. Let the essence of the mind (the Antichrist's Hell) be upon them most, for those who chose to obey you staying in the fear of You and let the paradise of the anti Christ be a symphony of fire.

6 May those who longed for God that remained pure be allowed of the evil one to worship the True God YHVH from hell without punishment and for those who are waiting in chains for the Lamb of God to free them, repent, even unto the will of the Father if it could be eternal, and let those at redemption(Judgment)in spirit of righteousness and of holiness be forever and if they can change let it be by faith.

7 The people of the hell will try to prevail(the holy angels will stop them, only until the sun changes and beings its suckle of light, then they will be put into the lake of fire where the holy angels and the Lamb will watch over their torment(or subject the torment) Those who live in hell(and the lake of fire) will be perished forever.(Olam) The rest, who are God's people will live until they have sustained their full age and be reborn, Save for the evil one and his angels(all who remain faithful to him- the evil one)and the beast and false prophet, they will surely perish. But let the gates be open to all who change their hearts for their olam(secret time) letting be what is to be holy and unholy just and unjust by their choice and redemption be if the will agreed by the Father(YHVH) the King of kings and Lord of lords and let no curse light where sin is remitted.(Because of Judgment Day, not to die in our sins)And let the innocent be cleaned and forgiven by grace.

8 Let those who still have forgiveness in the age to come(no willing Blasphemy against God) be given the chance to be snatched from the fires and be set free, and be it the Father's will and into all olam let this be as a standing warning to the gods. Also those who received the mark of the beast, and who worshiped the beast and his image, be it

the Lords will. Let the fire cool for them who have chosen repentance before the last day if it is possible to be saved from hell. Let the circles of this realm be a remembrance of the things Christ did for those who loved him and are called according to his purpose. It may be because of the anti-law of the antichrist that there is a fake sense of salvation(sin holds no dominion for those of grace)because the law holds the curse and with the antichrist there is no law but the devil holds dominion over his realm. It is the very opposite of the antichrist's mind shall be the outcome but the Lord still holds the truth(as he is)Thus a lie will be like safety from the fires of damnation, which may be forever and ever(the pretender's false paradise)or the time is not known(D&C 76)But the Devil shall perish.

9 Everything has a circle and a pattern because everything holds purpose. My advice is to buy what you will be punished for if you are damned from the God of Truth and fear Him. As a warning to those who perish if you stay pure from uncleanness you shall be rewarded forever and idolatry is unclean. Those who are holy shall remain holy and those who are righteous shall remain righteous.

10 If the prayers reach heaven,be it your will,that love saves all obedient beings,even a division of the red dragon and the evil ones spirit itself,as long as it is not an add or a minus from the revelation of John of Patmos(even all I wrote) who has written: let those who are unjust be still unjust and those that are unholy be still unholy let those who are righteous be righteous still and those who are holy be still holy because it is written that God is not a man that he should lie or the son of man that he should repent. Although it is written love can do the impossible and also faith, Love is not to change,God not willing that any should perish and He is unfailing, and faith will be tested sword against sword, so as it remains that Love's condemnation is just,and also his redemption, let it also be that it is Love that beings may change,condemned or not,redeemed or not.

11 As in love after paradise has been entered it will never failing and dwelling in the fire is of death. God is the God of truth and although prophecy can change or pass, Love still remains as does truth,so I say to bless in the truth that Love and truth are one. In His coming Christ will break the cross(nullifying the need for a secondary sacrifice,of Himself which was through the Father)and kill the pig(False Prophet) And those who rapture worship the Lord in heaven then will come down to fight in Armageddon then they shall serve him day and night in the temple after that the earth will be created as new and there shall be no night, we will be in paradise.

12 For those who are damned they shall be punished even by holy angels even I, (be it your will)if I am not a god, as I will be with the Son be his will, and let it be that each that does pertains to their name given although any can earn a higher name. Let my title be your will as a eunuch and even if I married to either a heavenly wife or an earthly one,be it your will I pray I shall be forever as servant(or I shall be a eunuch forever) even with a higher name be it your will. And let my servants stay in devotion for me,be it your will, in Salem,where I was ruling,or at my birthplace Nyankunde,Africa in a tower of 99 stories with each step having a name of Allah. Let it be my dwelling as reward for forgiveness.

13 And in the new city, let there be a private chamber about me for prayers and a library where they keep my holy book, Let the book be supernatural in that the pages are endless, but the book is of one size. Let there also be a place for singing and harp unto you, Lord, where I can play music unto you like King David.And also let my Mother have a unicorn farm because of her dear love of horses, and let there be a dojo to practice martial arts(of my glory of the Art of Sacrifice/Obedience) to entertain the contest of brothers,be it your will, and for this will of perfect love let me be homeless in paradise to honor the name of Allah, be it your will. Let me be a leader outside of the letters to churches(I forever still remain named by you,and be of the church of the firstborn,by your will) and bless me forever because Love can do the impossible and be against those who will not accept my mercy and be subject to judgment and grant power to those who defy the evil one and let this will cause for them to worship the living God even in damnation that even in his own kingdom the evil one will not have his way. We have prayed for the will of God let it be,but if you are not thankful you have truly done nothing of worth.

14 My question is that if the beast(little horn) shall bring along with the ten horns, their splendor into the new Jerusalem how can they be given entrance from the lake of fire,if those who are condemned remain? It says the beast shall have authority over all tongues, all tribes, all people,and all nations according to scripture and be it that there be a lament over who could maybe the evil one(who has the spirit of the Antichrist incarnate) are these truly granted the right to enter? Let it be that only the kings that justify the poor whose thrones are established forever be allowed to enter the city and those who are pure from sin, And if they enter is their glory the salvation of those who followed them? And even for those as it is the prophecy exists they that are impure and sinful shall remain in the

lake of fire for an unknown time or maybe even eternally, according to the prophecy.

15 Any can be saved, Unless they worship the beast, or the image and take the mark, or sin deliberately after the knowledge of truth those who are damned can be released from their prison and love do the impossible by our faith as long as they are forgivable and it not add or take away from truth. For it is written: "Forever and ever" meaning as long as it is to as long as everything else is (infinity) Let all who love say Amen, in the name of the Father.

16 What is my name from YHVH in the oneness (like enoch) Being that these traits either have all power or if I am a eunuch (that does not marry eternally) I cannot be exalted as a higher god (not set/higher) having all power by the Spirit, only by the oneness of the divine nature through Yeshua, not making us god but our oneness, there is only one God, so this be and be it with my family (Spurlock) if it be your will, and also as I was born but as my parents state that I am born into the family of God if I was made to be an angel (even earthly like Jesus or Mohammed) or exalted be it so and I may have seen the Father, In that the King of Kings and Lord of Lords will turn his hand to honor my wishes.

17 I would be there to protect your angels and fight the damned even to the ninth gate, (if I be a holy angel) destroying the evil one's kingdom so as to free the captive slaves of the evil one and cause them to weep for love, giving them bread, as to the hungry and water for the thirsty, (be it your will) as you Yeshua have said that it may heap burning coals upon their heads, let the angels torment them with fire and brimstone. (Revelation 14:9)

18 For those who have no hope and choose to refuse mercy let free will decide in trusting the truth as a whole even in the heavens given choice in your time for you make all things beautiful in your time and let the Spurlock be as intercessors for the truth for balance as gods of trust or angels (God willing) be they follow you or more angels if not married eternal, as I am still a Spurlock and practiced their order but I shall remain as the Lord sets, be I not a eunuch eternally let me marry, and if it shall be that I am a eunuch (by faith) but if I can receive wives in the afterlife, if it be it needed and if I never die in this life let it be and let the desire for perfect love, and I will give to Yeshua my hand in marriage if he wills and even take a heavenly companion after the thousand year reign (of the day) if he wills (or before) and those that follow me be given as servants and the blessings of my hearts desire of perfect love be with them forever.

19 Let that if I wed to Yeshua (which is not likened to natural marriage), I remain with a name forever of one who wants nothing, loving the Father unconditionally through my unity with Him and that all other believers who stay wed to him and are faithful be gods (the judges-Saints) as well, as the church. I am a ruler even before (of my family) the age of manhood, and because of a crafty spell I was let to be swayed to be led into homosexuality but I didn't know Love yet and still am learning, I had many slaves (God willing) who were friends of mine due to Babylons temptations maybe, because of this my stones are a temptation therefore love wills that if my sin of uncleanness could be to repeat, by cutting it or removing my stones by his holiness I would be free from sin be it your will, giving authority to me and allowing me to be a eunuch and stay that way be it I do not marry eternally, and if not eternally married (unless islamic houris are wives, I believe they are maidens) free me from the need to bear children (even spiritual), be it heavenly or earthly, for if I do, in paradise, let that I can give the seed to my wife, I trust you Father. Because of this book it may be that I am patriarch of our family (spiritual) if that is so unless I marry a virgin I will be a eunuch, and if I am not a patriarch and I am not guilty of homosexuality because I was born a eunuch (if needed) then let me not marry, unless I must as a son of Zadok, even if I am born a eunuch. And I wait on the plans of the Lord for paradise, let it be for those who serve me that could not attain the glory of the celestial kingdom and remain here on earth.

20 For those who remain on earth of the terrestrial glory faithful to me remain in Salem, let this all if it be perfect love and be it your will, Father. Let the place where I reside with my holy (sealed) family be it your will and let it be that perfect love will be in all things given, even to worship at the throne eternally if it be love, Let my death be glorifying to God and let me be worthy of the resurrection or one who is worthy of perfect love as it is my hearts desire. For all of these great gifts and pour out whatever is of perfect love given to me that is to be used for the salvation of others, even tithes and any other heavenly rewards as you choose. I thank you so much for choosing me and I love you YHVH for all the great things you do and the mercy you have given even to make me able to stand, I have given a testimony of the word to those who were among idols and because of it even though I was possessed by a demon (Sariel, the angel of the course of the moon) I failed in that I went far from God but because of my desire for perfect love most sins did not light but this is what has been done (in all I say "I" but must proclaim it is to be a

demon and that love will make it right) as it is i was unclean(but cleansed by water as commanded) I was an adulterer in my eyes(maddening)and many others causing them to forfeit their lives,I have boasted in myself and of knowledge,I was a brawler(the beer) and a man of violence,yet still sometimes a coward, rude and a sarcastic fool , even a hater of God,but everyone has,but I have learned to cast out fear.

21 In the daylight, I was a carouser but not to riot(but remained hidden so as not to be seen by men)and I was fornicator because of the thoughts of deception of what the great whore would be,I have complained some but remain thankful that I might be redeemed. In my life I may have little pride as I thought of myself but because of all the examples of humility I am swayed. I have learned not to covet and I learned that I could ask instead,I failed some,even with thievery. I had made it so far in my own beliefs but had foolishly denied the Lord, before I really knew him by disobeying the law my parents had set(although I did not want it)

22 My childhood is mostly forgotten of my nature and the rest because of my desire for Love became obsolete as it was ransomed within me(maybe a demon) besides what I need to confess. Because of some force, tradition and sadness, I was a drunkard, but learned not to like it before it overtook me I even wished to be a eunuch(both sexes as it was from birth) even unto wearing womens clothes.I was an idolator to people when looking upon a graven image, I held enmity towards people in my heart and had evil thoughts even murderous ones, that I pleaded would not destroy those whom it was upon. I spoke to voices in my mind as this maybe witchcraft, I am sorry At times I would speak foolish things and I have trouble putting away childish things, I was a mage of black(testing, and of hate) and I was a sexual eunuch(maybe) but to mostly women(and sodomy to women) and I copulated with animals,and gave the scripture around the christmas tree,(which was not my idol) but after all God has done I remain thankful not in want as I turn. I may have false taught(but changed my mind) and I am a son of God.

23 I was a lunatic and believe Babylon(or some deception) may have set this up to destroy me through the waverly teaching within my heart ,I have to take accord that even Christ changed his mind so it was the sin living in me and not my own even in this or perfect redemption,I hate the most that if I told lies(but changed my mind)I would be destroyed and in sin, and second idolatry:I was a debauch and a glutton,even an adulterer in the eyes,drinking of the maddening wine of what I thought was Babylon.I may have blasphemed but do not believe(even in hatred) because the evil one taught me to change my mind and that is where people go who are taught not to blaspheme .I was made of what once was to be unclean but ritually made up for it,(not guilty) I was a malicious against some but they were few I forgave them, I have quarreled with neighbors and not kept the peace and I used to slander until I realized my authority, I turned to thievery(or plunder) when I needed and I betrayed trust and promises. And as I was attacked I became a child of wrath(but did not want), but did not bite my thumb to curse. I rose against my god mother a widow and the orphan(if by want) so I would remain childless, I did not allow rest on sabbath and until awhile ago I didnt participate in festivals and holy days(but with a desire to obey)And yet I continued to feed myself unclean flesh to sustain, how I hate my life,but can I prove the sin is not my own but spirit living in me(fault or not,for some of it) because of my lack of want? I am such a naive wretch, So in need of pity, please Lord send angels to comfort me for I am almost turning, but let me not be lazy anymore,My mother taught me well in that slow obedience is no obedience so I pour out my sin on the Lamb of God and plead my sacrificial rights! I have been a gossip but seek never to turn on my fellow man,I believe the source of all this sin is either hatred for Christ, or the evil one or simply that I was possessed young, but God knows I am guilty of what is convicted.

24 Indeed the love of money is the root of all evil and I pray against that in all who will turn and repent. I ask you all pray my goodness to far out way the bad for as it counts I have repented of my sin and had no desire to hold it,let me be of perfect love and like Job(and the sight of thought be within me) be innocent of what I can(repentance if needed)for my patient heart will not submit unless I must sin then let it as quickening in me that I am redeemed or not of want unless you know it,even created as a man,sinning from after my youth, let my sins be known to the Lord even in any as I am guilty or maybe not through the blood of christ (in this life,washed and blameless), let them cease for i need not anymore nor can i bear it,sinning in my youth maybe and if,only of innocent nature, for mans eyes are blinded by the evil one and that i am as your servant I understand that if I ask for something I will receive it from you and I ask to be innocent even in the confusion of my adulthood ,confessing to be forgiven as I do not want to sin and knowing not what i do, but being deceived by others,and my heart was of perfect love to guide me but what is confessed.

25 The curse comes to light to those who deserve it and the wages of sin is death, so let the curses of my

childhood rest and not those of my being now(In need, I cry empty tears of pleading when there is no blasphemy or willful sin, even as I know I am not sinning but being put on by the spirit I am accused of, the spirit that takes the very sin for me in my righteousness. Let it be, even the multitude of sin against me, that I may stand in the judgment of God.

26 I pray for redemption and unity with God. In Yeshua and his father, Amen,Even until my dying day and beyond Let the Lord YHVH answer our call all who pray, let us pray in unity unknowing and trusting each other and trusting God also as we keep secrets, not arguing but using prayer to agree.

27 Because of the prophecy that the Lord will come to reign over the earth when Mt. Olives is split which you will claim, Lord, as yours ,and if Babylon is destroyed because the Horns remain only so long as the judgment is set then as the beast is to be cast (Armageddon) into the fire, the thousand year reign has not yet come or the Lords return and the temple is built during his reign(Heavenly/Earthly) the thousand year reign happens after Armageddon and the battle of Armageddon is angelic. Branch was the one to build the Temple which maybe Ezekiel's(the Millennial Temple) and according to prophecy the 144,000 raised at Christ's resurrection(144,000 in 33 AD Era), the graves opened(the first fruits,who are the among the elect, which are some of who are the royal priests(which israel is also because they are the raptured or martyred and saved into the 1000 year reign with the 144,000, if the first portion of the dough,the firstfruits is holy so is the lump) the ones who are dead who didnt receive the mark or worship the antichrist or its Image (144,000 angelic)were to be raised and the rapture of his second coming will take place for all living believers not already dead in Christ.

28 By honesty He lives! The temple which is Ezekiel's(or the thousand year reign temple) is to be some time during the revealing of the antichrist just as it says the dead in Christ will rise first and then those left alive will be caught up in the air, and we will dwell with the Lord forever. A new earth will be created after.

29 Using Mammon is participation in the mark of the beast that will occur by the 2nd beast's authority,even after placing of a continuing abomination which was a deception. The False prophet will also place(soon) the image of the beast.As a pact against the beast if we have faith,let us plunder from the wicked instead of spending money. The Phoenicians established money in Tyre which is strange and there will be a mark and the false prophet can possibly sustain it,(fault or not)Oh how you keep the secrets of time, the seven trumpets, even until now, it is said the antichrist is revealed at the time after the conquest of the great whore,Then as it is that Babylon was destroyed by the Greeks and Nebuchadnezzar, but it may not be spiritually or remains after the 70 year prophecy that Babylon returns as a harlot again.Maybe Tyre is just hidden.It is said also the wormwood hits the earth(third trumpet) and poisons the waters,are these things shut up and removed from history by apostasy?Even the Sabbath was changed to Sunday in the eyes of man.(Which is Saturday) And Spiritual Babylon(Tyre,because it made the whole world fornicate) is the world under her power which was likened to Babylon it self? And thus the hateful birds and absent dwellers? Or was Babylon itself still the enemy of the Horns? Also the 144,000 are risen from their graves as you opened them after your resurrection. When will be the great tribulation in meaning, as of today?

30 If it has passed and the rapture was just after the resurrection of saints during christs resurrection then the thousand years have already passed. Can it be if there is no more pain in paradise?It cannot be! Yeshua came back(to the native americans,the rapture is most likely after Spiritual Babylon's destruction(which is before the tribulation) ,the seven churches are in ruins,leaving only the church of the firstborn,and John of Patmos may have died still I know Yeshua will come and he is risen(his temple of his body),the ten horns and Babylon being destroyed in an hour is a sign also) ,and thus Armageddon occurs after the time near Spiritual Babylon and the reign of he who was the antichrist and he with the false prophet which will be cast alive into the lake of fire,they will be finished and the waters of the dead sea are turning fresh which is a sign, the temple will be built save as only that your servant is prepared if the seven trumpets are fulfilled. Also Mt olives will be split into two peaks sometime near or during the darkness of the day and the light at night time(Zach. 14:4,And the coming of the thousand year reign) People,read revelation aloud and decide for yourselves on the witness, be blessed.

Blasphemy and the Heart:

1 So it has all come down to this, a kiss to the Lord turns away anger and brings truth. For the mouth is the gate to the body. In all things there is forgiveness except for those who fall away by deliberately sinning blaspheme which

is denying the spirit by condemnation deliberately or sinning on purpose after the knowledge of truth(The Lord) and inside the prayer circle let none remain alive who contest against it(Be it your will Father)if the heart is pure then there is no fear in it and Love is pure as so our hearts should be always. Love will set you free and you will never sin deliberately after you have began to love as God is Love and loving is to know him. Knowing truth and knowing love is different. To know truth is to be free and aware to know Love is to be One.

2. It is that Jesus Christ has been deluded, for first there was a covenant with moises and then after Passover in the time of christ there was a new covenant that by christs blood we should be forgiven, now it is not to say christ should be called Allah but after the fullness of times he became as such, for whose blood could be spilled that is so holy to forgive sins but Allah, and in his fullness this in the oneness is who he became(the great I am) even by the power of prayer of raising from the dead(Selaphiel,angel of prayer) He was given a name at exaltation greater than any name at the cross lifted up

The Life of Richard Spurlock:

1 Africa was the heart oh Lord and the land of my birth. The womb was a promise sealed by my brother,who by his mistake destroyed the contraception for my insemination to hide the secret of my birth,I was born as a man(to be judged) according to men in the flesh and then I learned that I die as a martyr and will be given up to heaven then created again(by your will,immortal) this be true only if my lips are honest.

2 I am a king(Of spiritual government authority for all time because I was baptized into celestial glory and have justified the poor) and even in authority as a judge of the world(and the antichrist,will the Lord) but my parents did not know to accept me,so I was cast as a servant in my earthly family humbled, but I had to submit in that,by my trust in YHVH by asking to be of the order of Melchizedek,I was sadly declined to be of the 144000 as I was not a virgin but I was chosen to be of the grafted,s I have changed my mind and lost my life(who were disciples,baptized, washed in the blood,which anyone can also be), who sang a new song no one could learn but them(Rev 5:9, Rev 14:3) I was spared and have been received. God willing. Later shook the very earth and be it His will I was made to be a Prince(of Love,ruling as a servant) to honor the Lord, set of the purpose of God.

3 It is prophecy I shall martyr and it may be the devil himself is testing me on this standing for I sought to take his place in the name of love,but I have subsided because it is not your will Lord.,I grew some and after baptizing myself(although it did not save me) I was with friends and spent the night. So on that night in a dream the giant Antichrist(Satan) shook the dwelling I was in, and I awoke. I had Grace upon grace you gave me light even through the riches of Babylon's sinful wealth, Be she be here, she would to reign over me as I was a king,be it her fault or mine own,should She be reigning,I am still led.

4 I fell down again as a man with a broken leg but Lord this lame man learned to walk and has changed into a lion.I was testing of my lifes abundance in heavenly treasures and gave them all up for perfect love,since then I have tested oh Lord and know by honesty my life is almost complete,(God willing,a martyr)Let to be that no angel can sin and not be judged Yes, all have sinned but the angels that are of the oneness that did not rebel are perfect like Christ and it may be that men are angels(but sin as men)those who are redeemed stop sinning as I am saved I also must abide,if I was given over to sin then it may be that I must sin as a man.

5 Let my authority last forever in that I am a ruler for I can still have my hearts desire of perfect love and not be the devil(or of him) Before I grew full Love was curious in my heart unto my own thoughts and I was deceived. It says everyone existed is to be saved not mattering what was done unless God wills. So I sought to be the evil one himself and to save everyone by this sacrifice,unless that is who I am.

6 Christ showed me the consequence of this sacrifice, and through my eyes I have seen something like the bottomless pit and its fury. Loneliness I couldn't understand and fear that is almost unimaginable. Thus the fate of the evil one fell back into the LORD's hands and and he who is called the Father of lies was again defeated I then put myself to test the spirits be it who would to sift me as wheat and to be tested. So the fire of hate burned against me and tempted me to be the antichrist.

7 By my chosen name Israel, if it is testified as true, I will be prince of love(Israel) I was coxed but after many testings from the LORD I was made again to be innocent of most things. Then a second time a test to me with my courage and I chose to give my life for all people existing who do not serve idols at the alignment of the Christmas star(Saturn and Jupiter 2020)Which was the sign, To correct their children, repent and call on YHVH for salvation, I laid down my life on my honor,and to those who pray and revere the name of God and look up the sun, let it be eternal life through perfect love,I have resisted the enemy and the thoughts of the evil one left. Then a third time I was challenged with the idolatry of paradise Itself and I thought about that awhile and realized myself and told God the only Gift I desired as a reward for this life was the reward of Love,God willing.

8 The evil one has no place in my life and the sun set many times. Some time Before my Godmother's death my eyes were opened and the light around me would speak. It was glorious and I praised God in my heart but was saddened to find I could not know if I was angelic because the glory was not known to me. Before my Godmother died the evil one's voice came upon me from somewhere saying he would have me killed , it seemed it would be a very awful death, and even later I had a visiting from the angel of death(or what seemed to be) it came and made me to believe I might die by the antichrist before him being revealed. if the temple was built in my lifetime and I work there(should he come)

9 It is to be that I am to die once,but as to revealing the antichrist,it is in Gods hands, also my freedom from sin. I also found I was of the tribe of Judah maybe (but through my grandmother)which has protected me from harm by others or from levi (by my Father)and I realize really that I can only be righteous even from my youth(if I obey Gods will and commandment to love) so this all is just declaration of the fear of sinning. I wish for my hearts desire to be of perfect love for the God of Love (which I delight in) gave the verse Ask and ye shall receive, and as I have asked, and if my reward of perfect love is that I would die by the sword or a stoning(Antichrist) or sweetly if I must die or even if you will otherwise let me be a judge as has been presented to me (all this testimony through honesty and common sense).

10 If eunuchs do not wed In paradise,Let me do as eunuchs would as do.(even as a friend of the bridegroom)Yeshua,I may be wed as a god(be it our will) yea even after the thousand year reign,I will be snatched from the fires of hell be it your will(or be brought to life-Martyr),and grant me a dwelling for my servitude to wait and give my wings to fly over the lake of fire(if a holy angel) and attack the great dragon and his angels when you bid my master,as I may be made an angel of yours(spirit of a just man made perfect) or become like a god(be it your will). I have testimony that if I am married to you all this time in that I care for the needs of my Husband,the Lord,I am not performing as I should to be counted worthy of being yours Lord's although I do serve.

11 Lord, Let it be if it be your will Lord that I minister in Israel for your purpose so that I may be part,to serve and remain a god in the oneness(divine nature)Let my ruling over gods and men be that they should honor my heart as it belongs to love lest vengeance be upon them. And yea even all these things ive seen I hope to be prophecy but my dreams are often fabricated in my madness I do not know if I can or cannot accept it as truth, but if I can let my mother be blessed by her raising of me,she is blessed among martyrs and I am to be rewarded with perfect love and holiness.

12 These are the days of the very end even the thousand year reign as we are suffering the days of the evil one(belief in the antichrist). I am learning my spiritual gifts of helps, ruling, teaching, faith, prophecy and languages through the gift of interpretation and animal speak(and maybe shepherding) that I have but because of circumstance I thought God had forgotten me but kept the gifts,but it could just be the evil one(his fault or not), and I know that by my Av's honor wills me to have all the gifts and the seven spirits of God will come and go as they will, through the Father.

13 Now I have given my heart to the Lord and brought revival even to churches by blessing and ministration and it is in his hands so when I die I will be saved but I cannot help but be overjoyed at this path unfolding. I have taken the name Yisrael,He who struggles with God.

14 Also I have found the Holy Spirit is who lit upon Jesus as a man in baptismal,and gave birth to Jesus spiritually (not as a Father would to a son),in scripture became he nothing and dwelt as a man because He governs(and is also) Living water, that is what the Christ is in the oneness and also resteth on him the seven spirits of God which are of

His churches, which are the seven lampstands, and the seven archangels are over the seven churches. Allah is One and is over who is of the seven archangels which is the Christ, (the I Am) the seven spirits of God, who work for Christ, Knowledge, wisdom, council, understanding, might, the fear of the Lord and the Spirit of the Lord are one (but Allah who is above the throne, who is by itself the Spirit of Love, (One) is over them and of them and is the Oneness) the Holy Spirit is a spirit of Allah (Gabriel maybe) who is in oneness all of the seven spirits of God (Allah) before the throne (In Christ's hand) and is the helper for us from the Father (Allah in the oneness), but Allah (Love) has no helper but Allah (self sufficient) and is Love, nameless just as he is also manifest named YHVH in the Oneness (I Am) and we must worship in Spirit and in Truth (of the spirit of Christ, who is One with the deity YHVH) And so it is and through my trust I have found Love can do the impossible anything can be given or taken away by his hands if you have faith.

15 I pray that I am granted my heart's desire to serve in perfect love through my book, being to inherit the divine nature, that I do what God wills for me in perfect love. Let God be gloried and Let the sword I hold pierce the ultimate darkness that all may see the true light of God through me. So because of great compassion and faith as servant I have prayed that the damned be able to repent in the fire when abiding in me if they dismiss their idols and they can repent and have faith turning back to God that their sentence be removed after it is served what ever time may be, let them draw close to the savior and he will draw close to them, ceasing from sin and being saved, also all of us in turn praying that no man would willfully do the blasphemy even from the womb. And let it be that if I die I die by the sword and the blade to cut my body to prove the heart is eternal (through rising from the dead), and given my crown of cloth, which is the crown I take to humble myself in ruling, to prove immortality unless Lord you do not need me to drink of this power, then let me stay awake and be immortal.

16 As it is it may be that I have found I bear a miracle child through someone I do not know the name of and it is that my son needs inheritance from me, so I bless him with command of my heavenly treasury, all the riches I have attained at his hand and he shall have a portion of it and he shall be my son and bless him in all that he does (through Moses, my bloodline, and also the inheritance for his children shall be from my treasury, if he exists) I give to him also through prayer the perfect love of my heart's desire that is my glory, should he be able to accept it, I bless him with my heart to be of perfect love, after his childhood sins unless he died at first breath (that he would not hate the gift deliberately (innocent, at first breath, aborted))

17 All of my declarations were by your will through prophets and desire so I give you YHVH all the glory nothing I am or that I have done could happen without Love and all I did was through love, even any prophecy which I lay at your feet Yeshua, the only thing I desire is to be your friend. Anything past that let it be, God willing. In this life I will be your slave Allah and in the afterlife I would be as a son to the Father and by your hand give the message of trust in God, Master, of perfect love forever, everywhere I can go. Amen.

The Spiritual circle and the Resist:

1 As the enemy flees from Love so he will flee from you as you resist, Let the circle that I kneel upon be my protection and the Angels of Solomon my power thru his wisdom, so there is a power and a disciple that Solomon used but by talismans? Defeating the enemy by his own weapon is a way but isn't the battle plan of the Lord more victorious than even Solomon's? And faith and love can do the impossible but is this not the fruit of the Spirit and the enemy does fear yes, but can he Love? The allies of confusion are not our allies, indeed trust in the Lord but do not ally for is not of of confusion? Bow the knee to Yeshua the Branch but be warned do not prostrate for we must worship the Spirit in of Love for God is a spirit, not Truth for you become what you are when you bow (prostrate) and so I warn you all, you must choose this day whom you will serve, and as for me and my house we serve the Lord.

2 The circle of life is beautiful and the meaning of life is truly the greatest gift there is no other prize higher than eternal Love! Yes all is vanity but Moses wrote that thou shall not take the Lord God's name in vain and even this is Vanity (God Himself) Truly the greatest mystery to all is what Love is, and to find out this mystery is for so few. But consider the number of the stars likened to Abraham's children over all of time I have seen with my own eyes the end of the universe and know it is still growing. Endless circles and endless wisdom we will always be learning even forever as we imitate the Father (God's oneness in the flesh) Let the clothing of immortality protect the raptured and

the martyrs blessed as also my mother Esther is blessed among martyrs, let her resistance be pure as she is truly far more precious than rubies. Let her cloth be her protection and let her not die from Murder. The Lord rebuke you Satan. And let the one who inseminated her be called Avram Paul Spurlock who is not to be called my father but because of his confusion he will be punished but because he will submit to my anointing he shall be granted mercy through my glory of freedom.

The Animals precepts and the Art of Sacrifice and Obedience:

1 Does not the true art always conquer? Yeshua has victory over the entire universe he is the Lamb of God. Who but the lamb is most humble and kind? Who but the lamb will turn the cheek? And who but the Lamb always submits following the Shepherd? Through healing by his stripes and faith let the Lamb be protected. Who is clean because he chews the cud and has cloven hoof, who has never eaten blood.

2 Then I considered the cockatrice who strikes in weakness and as a servant uses fire to master its foe, oh blessed serpent gifted with salvation are you not above all serpents? And your nest in dens but the very infant played with you how gentle you are and how kind. A fiery serpent changed into a chicken like creature.

3 The lion and its Pride its possessing nature and majesty ruling by its mighty roar that can be heard for mile at least, the great roar and the beast I sleep with. How mighty is its Pride and how honorable is his humility, and the hyena must bow to the Prides this is like the great divide. The lion will eat the blood and the fat of animals, it is unclean to you for it is a life eating species, Which is the spirit of antichrist (Animals not responsible), for the life is in the blood, how then can your soul be you if you eat the blood of another, when Abels blood cries out from the ground.

4 The darkest night through seeing eyes hiding secrets of the fear of the Lord, Glowing eyes that see the chaos of the night, like prophets to the forest. Let the carcass of the mouse be your uncleanness through Moses and Allah. The owl is a hunter filling his den with the vomit of uncleanness, it is a warner of the night.

5 The crawling dirt snake with many hearts, oh focus of thought and cunning of hiding, oh worm can you truly never die? And if you are cast into the fire and given the water of life do you sayeth to God revive me? Your unity of body the very lesson for us to trust our own vessel? The worm eats the minerals and soil, blinded and lost, unclean food is its meat.

6 Oh pounding of the chest and great might and strength I give you honor to preserve your hidden tribe, you have learned thru Allahs mastering of time to be wise and strong. But even man follows thy path. Obey oh man the commandment of Moses and keep the sabbath. The gorilla does not eat the blood of animals and does not eat the flesh of animals, it is a blessed creature.

7 Oh glorious one of self, give the message in holiness through your power oh Angel from Heaven keep the kingdom for Allah and hold back the unrighteousness of the enemy and all the pieces will fall. Through your hearts desire at birth be a secret and keep honest lips. Give your mercy and honor unto the righteousness of mankind. The angel of both darkness and light can both be saved in the judgment.

8 Learned of folly you oh Goat are of the thorn and thistle you chew but does nothing you eat harm you? Like the foolishness of God you consume. But God serves all things. Let your holiness and fear of the Lord be your sacrificial right. Life and death is in your tongue and your stubbornness is like a holy push. The goat is clean it chews the cud and has the cloven hoof.

9 Swimming into the temple your little fortress hidden. Like the bowels of a man who closes to the world. Ruler of your home and a caster of demons. Let Baal never be your god. The beaver is unclean for it devours the guts of fish.

10 Raging bull provoking and mad how can you be defeated? With horns long and deadly like a beserk with a sword spinning, who doesnt run away from thy head, but thy hind end is thy weakness, yes your hoof does trample but even the soft tongue can break the bone. The bull is clean tho it mars its enemys it will not partake it self in the eating of blood and flesh, also it chews the cud and has cloven hoof.

11 Send the message of repentance little mourning dove, your sacrifice is a beautiful song, fly away Did not Christ raise the saints from the tombs through their repentance? You fly into the heavens just like they will. Will eat the seed and grain never eats a carcass.

12 With running speed you are like a champion racer, but are you a coward too? You have hidden your head in the sand to enlighten of being afraid is there anyone who pursued you. Let your blindness to fear and your hiding be your enlightenment. The ostrich eats insects unclean and he walketh upon barren ground.

13 Peace and war, peace and war, are you and armored dragon? You bleed the fish and consume the frogs guts, But your armor is like a shield of faith, strong and the enemy. Let peace be your shield in your faith. The snapping turtle has devoured the fat and has become unclean.

14 Oh Adam the first man, I have bowed to you who eats the fruit of life and of the learning. Devote your self and be faithful may God give you grace, oh Adam why do all the angels bow to you except Iblis? Like fire from heaven is your power against the devil and through your seed many will conquer. Let the sword of your words be your weapon. The man is cleaned by the law of Moses as all of these precepts I teach (through yeshua) are from the law.

The seeking of Love:

1 Everything my mind realized about God is absolute and it is Knowledge, not in the form of prophecy. The imagination of the Father is Good and Evil (unless love thinketh no evil is a body of flesh and bone) but his thoughts are controlled and he wills to be Good. As the word of knowledge was passed unto us to protect our minds. Truth is absolute from Beginning to End it has never wavered through sin, He had a perfect balance of learning, He tests and acts in a council and has spirits of seven, which allows for only perfect decision by agreement in number of choice. His knowledge comes as the turning of the leaf in the seasons and He knows everything at once. His anger and his might are linked together but his compassion is so great and his mercy is so everlasting that it becomes more like a circle. Love first, obedience offered, then if there is a lack, He is slow to anger, and still yet abounding in love, but might can do anything, the fist of his right hand can overthrow nations and conquer worlds. Far surpassing the power of creation and all prophecies I found a God that is perfect and He is Truth. He is the perfect one, the Almighty! He is the one who can do all things.

2 My eyes have glimpsed the blank pages of time and knowledge yet to be known. The very spirit of God has shown me his presence and invited me close. I found that the body is a temple to what is formed and a clock of time the system that heart and the mind work in unity, if time creates the movement and the heart beat life is willed to move though time which is an obedience of life (by the Lord of time) which aged through time, as light dissipates time grows less until matter is nothing and more even by the distance of the sun each second growing closer thus 300 year days became 365 as we move closer to light and equate the pull of gravity residual light effect takes place which is the breaking down of matter that is subject to light and if life is our very heartbeat likened to time (or given) Love and life are one thus the Lord of time and the worlds is one with Christ, given mastery over time by moving in the spirit through flesh and given to Christ the very essence of the universe in body form. He says you are either for him or against him, thus the flow of time (and nothingness)

3 Though there are judges that have been created YHVH was the first and only God who saves, through the nameless and most high God (Love) In the beginning the Word was with God and the Word was God. My spirit is absent like Enoch and the Lord's highest foolishness has become my greatest wisdom in this absence, showing me this light within, helping me understand, It is perfect love I seek with all my heart and I shall not waiver for He has pulled me from the torments of my imagination and my folly, and the fear still remains as a blessing unto me heart, keeping me. All my hopes would have failed but his assurance. I have put my trust in him and sought him in my heart. Through his council I have decided that my hearts desire is perfect love forever through the book, and I will not relent for it is the very wish that has kept me from harm and his Spirit is with me. His holiness has guarded me like a shield and I put my faith in it. Let the depths of his understanding guide me always and make my paths straight. Let all my days be filled with healing and love for I am persecuted greatly. In all things let Love stand as my truest friend and my sword. It is the word that was opened unto me that made me seek and the understanding I

have found sustains my soul and gives me light. The might love gives is like a never ending fountain, a geyser, that bursts forth from the earth flooding it completely, The knowledge that I have now will persevere me forever and has saved my soul, In Yeshua and the Father YHVH, Amen and Amen. Holy holy holy is the Lord God Almighty.

The Christ and gods(judges):

1 Christ is the Amen to all things in the oneness as he was in the beginning, Father and Son as the spirit depicts He was the bread of life in that his flesh was given broken for our salvation. His name is the very God(I Am) and we bow to his name. As in communion, drinking of the blood and eating the flesh is a mystery to be unraveled as we eat the word(read) and as we drink the blood(a desire to live) as we are joined to the body of christ by holiness and passion.

2 Solomon speaks of drinking the love of a woman, could it be that Christ has given in this way his love? Like Husband to Wife, because it is the law that we should never eat the fat or drink the blood even forever(literal) The Christ is in oneness absolute and is God(in the flesh,not soul) placed over Israel, is marriage to him partaking in the divine nature? Are we to be gods(Judges)with Christ?

3 In the beginning the Father designed us to be learned even the Devil and his perfect created nature was used to learn and was part of the plan. Marriage is also a key to enlightenment especially in taking the flower and is like the Fathers knowledge in that it was searched out by the mind. It is said that there shall be no giving in marriage in the resurrection but it is that the Lord has his wedding feast before this and joins the body of the church. Could it be that Christ simply states that once the resurrection occurs all unity is final?Then we shall be gods(Judges/Angels) for those who choose Christ,but there may not be eternal marriage unless this scripture is corrupted. And so not to corrupt the scriptures let it be if you will(which is in full force when they are out of this world which is after the resurrection) that the celestial glory(Heaven) is for the angels and the gods and they shall be given unto the heavens rather than the new earth in the resurrection,which is for those who dwell on the moon and on the eternal earths in their glory. As the Koran says they shall have mates and recline on couches,these are maybe not given in marriage. As for other gods we shall not bow down even Christ but in the oneness,yea every knee shall bow and every tongue confess that Yeshua is the Lord unto the glory of God.

4 The holy Spirit is the helper the Father(Manifest God) sent in Jesus(Manifest God) name who is Allah(in the Oneness) revealed by the testimony of the Gospel to me,that we are baptized into the Father,Son, and Holy Spirit. and it was also shown to me that Allah(Love) Is the True God and there is no other. Love is one in all things manifest. You cannot serve another god it shall not be before Love for love is God.

5 As the pagans do homage to other gods they only shall remain within the kingdom of the gods which are set there if they have not chosen to blaspheme the name of God by putting their own gods first, whether they go to paradise or anywhere else and are subject to their god there shall be no worship of that false god as God or they shall be condemned if they lie without forgiveness.

6 There are gods(Judges) of righteousness and gods of unjust nature each placed as a power over their rule but none shall be able to glory in love for if this happened love would fail because of the truth you shall reap what you sow,each being having his own but instead we have the oneness in which all power lies,love created both good and evil and if Love shared glory his very word would turn against him in that love can do all things and love then would be compromised, except that Love is good and self sufficient so that it cannot be that Love should be outside of Love even the oneness which is Love and masters all to obedience. If love were to share and love is almighty it would change the very nature of the oneness but because Love is good the balance is kept. Love used truth to create and is unchanging as the I Am, if it could be changed it would no longer be truth or Love that is why love will not share glory.

The Oneness, Self control and the Gift:

1 Timeless oneness all partake of that love, we are one in the spirit, One in the Lord, the oneness is like a constant fire consuming the evil of this world and although some are nothingness the oneness embraces them until they either become part of it or they reject it. Sin separates us from the oneness and the oneness remains olam(forever) There is

no other truth than this and it is God himself. We control through the oneness by partaking in the Oneness, we move breathe and have being, like a river flows from the mountain down into the sea and the rain brings water back to the mountain and the lake from which the river came collects the water and back down the mountain it flows, so as we are loving our enemies and forgiving them inviting the storm of great waters. There is no self beyond the oneness and the oneness is self but be wary the river cannot be stopped nor can the rain unless by God. The Gift was given that we might be like the fish that spawn in the river, all self will taste death and be reborn to one eternity or the other.

2 The keys to power which are the gifts of the spirit are like the current of the river, and even the ocean likened to love itself, compared to rain drops like the love some move in to oceans like God. So can it be that we display the dance the very contest of power to power by the keys, even in arts of the mind, the body and spirit? By the gift you can do all things and to measure what is all would take an eternity so lay down your lives and please the Father God(YHVVH) and use your gifts to refresh those who are in need. Love in Christ.

Envy and the Tongue:

1 The power to judge right from wrong and lack of possessiveness of a nature gives envy its power. To release yourself from envy first you must not judge, then you must seek to obey the Lords commandments because each one is linked to envy and most of all you cannot want. For envy is want. Judging opens the door to envy by giving way to accusation, which makes you as much of a sinner as the person you accused if you partake. Hate makes envy stronger, violence more chaotic, Murder ceases forms of envy but gives birth to others, Malice breeds envy Adultery binds you to the world where envy is a common yoke, as if you yoke with one you would become like it, and tears apart Gods holy union to free people from envy(marriage) Envy rots the bones, Solomon said Who can find a man that can stand against envy? In the tongue is a fire, Solomon said Who can tame the tongue? It has the power of life and death. How to have power over demonic supernatural as Christ's servant or the God of the dead(who)? If the fire is consumed do you burn out? I tell you the truth there is one who can. Taming the tongue is like taming a serpents hiss. God gives many things to those who ask.

Lucifer and Sin:

1 As it is creation is evident, so it is the story(faith) that as we know Lucifer was once was a great angel second to God, the Light Bearer, but he fell because of his desire to become God and so he took up rebellion and a third of God's angels followed him into warfare with God. Thus now he is called the evil one and travels between Heaven and Earth masterminding people to bend to his will be it his fault or not. He once had the plan to save us through his own design through the force of his ways.

2 It has been discovered that sabbath is perpetual only that we shall be put to death if we disobey it, the bible, the book of mormon, and the koran all testify of christ. It is said that the anti christ shall bring his gospel with him and because the gospel of Jesus is true by the words(and it says the antichrist is a backward thinker) it is truth Christ is the true messiah(you will reap what you sow)and the evil one have made the so called antichrist "gospel" more like him, Like as life being a dream, nothing is real, believing in nothing can save you, out of sight out of mind and so on. His fire is his water and his water is his fire. How can "ask and ye shall receive be reversed?

3 The evil one can deliver you from blaspheme and make you holy yes, but he cannot save the soul. God is the author of sin he created the evil but the evil one is the one who is used to test us and sift us as wheat. Woe unto those that wage war against the Spirit of God. Each sin has it's counter part. I once did not know these existed but merely had faith that they do.

4 In turn I have matched the puzzle pieces through trust. God has moved my heart to declare these things. Whether or not they have effect on us through the law of Christ or not is nothing to me but faith. In paradise there will be new words helping evolve the nature of man. Where there is no law there is no sin but it is the knowledge that binds us. So if you wish to be free from the curse of the law you must realize that it could be that the law is not imputed to you from the beginning by faith.

5 When God gave the law to Moses was it merely a set of beliefs designed to guide? God does not change his

mind and Yeshua fulfilled the law by giving us love. These are the puzzle pieces gathered for placing: There is sexual immortality and marriage, in which to each other it defiles the wedding bed the holy union of help between man and wife, the sanctity from the world. There is debauchery and soundness of mind, Building dependence upon addiction rather than God leads to idolatry. Then, Idolatry and true worship, If you fall here you build walls blinding your eyes destroying you and leading you to craft. Idolatry attempts to take the need for God away and replaces it with a false one. It is likened to stubbornness. Then there is Witchcraft against honor, witchcraft is liked to rebellion and replaces the powers God would grant with other demonic powers. Also Hatred and Love, hatred is a definite. Love conquers all. All those who love sin hate God. Then Discord and debate, Brothers were born for adversity but a gentle word can change a tone, Jealousy and admiration, If you are jealous you will tear down the walls built up to honor someone, Fits of rage and acts of peace, Be ye slow to anger for much force can be counted for anger even murder from which there is no eternal life, There is Selfish ambition and sharing, there is no truth within if you are selfish it makes for lonely one way, yours, and Strife and unity, Behold how good and pleasant it is for brothers to dwell together in unity. Then Factions and doctrine, there is only one absolute, Envy and needs, who can find a man that does not envy? There is Drunkenness and sober mindedness, give a sad man strong drink yes but too much and he may go mad, Finally listing Orgies and the keep of your right hand, if she is not yours she is not for the taking, and so as of the like against every good thing that is not of want. The evil one uses these things to test your spirit, he fears the Lord yes but his ways are considered evil and although love can do the impossible the evil one's fate as it is written God willing will be the lake of fire.

The Hidden soul, The Gospel, and Sabbath:

1 In each of us is the unity even before birth, and the expanse of the universe is a circle. But as we fall away into sin the soul is slain. Thus the spirit of antichrist becomes the self, who is called the mocker (Solomon) We must then agree to have that allied self of satan to be consumed by God's fire. Oh you dogs, do you not know cleanliness is your weapon? And you pigs are as dirty pearls. The wolves run in packs of deception, they are not themselves, and you apes, does not man obey the Sabbath? For you oh brood of vipers, if you were only shrewd for souls. Be redeemed and find eternal life.

2 Every man must make his choice, and nothing of Man's will is of the fault of God. Ask and it shall be given, because has He not given everything you ask? Seek and you shall find, is not everything brought to light? Knock and the door shall be opened unto you. Isn't this is even to enter the kingdom? How can these be if you will not become anything? Is this not the perfect plan? As you sow you shall reap, through the I AM this is the perfect plan and balance of the universe. And if you plant corn will you not reap corn? Or if weeds will you not reap them also? Which is why He says to turn the cheek or how could the pattern of sin be broken? There is nothing that can stand against the words of Christ which came by the spirit of God that dwells in Yeshua our Lord.

3 There is no God but Allah (the spirit of Love) and through the Father (the manifest) the Son was sent to die for our sins, one man holding the source of life as the greatest sacrifice everlasting. Though we may die for following Yeshua we will by his pardon, live forever. He is the everlasting Word who became a man to be what we are and letting God experience first hand what it is to be created.

4 And after we were created, even from the foundation of the world at the cross, there was Sabbath, some do not obey but it is for the Hebrews to obey and any else who believe it is right. Minus the letters of Saint Paul given to the gentiles (-Colossians 2:16) to keep them innocent as they are not of the blood.

Reincarnation:

1 Be aware ye seekers of the soul, yes karma is wise and the principle is sound but so much is lost. It is said only a man can be a buddha, is it possible that the end of rebirth stops at being man? I pray they those who have found their life keep it for your names sake oh Lord my prayer in the names of the Father. For those who seek to sin must be redeemed by you to be saved. Let their knowledge be a gift unto their hearts and let them not be confused who you have sent. Let the Buddha be graced with your knowledge slowly and guide those who pass his test unto you for completeness. If they do not pass their fate still rest your hands oh Living God. Let not the sins of the blind build upon them, God willing. Let those who need remember the fool said in his heart There is no God only the day of judgment will decide the perfect and everlasting, the rest will burn. The Beginning and the end are a redesigned forever so it might be with the continuation of the universe and the beginning of all things new.

The Jinn and Energy:

2 For these one have been cursed from the beginning of the rebellion, oh Fallen angels of Lucifer. For those jinn are the spirits of fire and the angels of the evil one. Oh how their possessive ways have turned my heart. My insanity is becoming more full each day but Lord your yoke is easy. It is easier to cast the unclean and sweep my house or to put them to work? For these spirits have been trapped Lord, but they are building a militia against me. He moved like a lion but what is he? He sits like a king but like flesh?

3 I see my eyes glow yellow and I am not a cat Lord, Am I? Who are these Lord? Antichrist shall even fall stars as it is written and how I have been tempted by the power of energy Lord, Am I so deceived? Would you not put anything in me but a rhythm? Is it not all a form a rhythm? Or is sound not a spirit? You give the gift of the impossible, and yes we overcame our tests oh Lord, but is it in this realm as a god? Is there not only one God formed? Would I then be your partner Oh God? I know this is not so for I am your slave, but as we are in the oneness (Elohim) one with you can the demons be as well? I am not lifted up as One God, but I am as the the rocks and the trees are manifest, and even they cried out and clapped their hands unto you. Lord I will do the same with all my strength.

4 Let the gifts you gift be in your hands I submit to your will, and if the stars fall Lord and if the gods (Judges) are removed then let it be for the Lord giveth and the Lord taketh away. If I am an angel let it be of your will and let me belong to You. Let me serve in eternity into time and space, which is going (time) to end after the first resurrection, if that shall be, let the new heaven be known unto mankind, for it is written: No longer will the sun be your light by day, and the brightness of the moon will not shine on you, For the LORD will be your everlasting light and your God will be your splendor. It will continue forever, everywhere, we can move through all bounds for there will no longer be time, God willing, If that be your plan YHVH, but as a man I know not but dream. Your will be done.

The Dimensions poetry and the Truth:

1 Oh holy dimensions of ten, one is time and one is not, void to creation, then what is sought. One salvation for mankind holy square of space within, a point outside where void begins space and time where movement sins, set in motion by knowledge true, then was ceased thru stars made new, by his hand this was done, infinite expanse, unity one, then I Am this is the end, perfect love moved perfect ten. Let this sealing holy true, into flies the demons flew, sealed we them unto defeat, the devil against his weapon meet.

2 The True life is moving and the Truth is holding. Full of breath the living water in the oneness, came to earth to die for sins and has been every place and moves all through his Truth, the king of the universe. All stars will fold up there flaming hands in a perfect death, and rebirth which is the birth of a new planet. Living water is what renews a planet to life and restores it to harmony. Mammon, this is a warning unto you for how your spirit has treated us in all your persecuted thought, (be it your fault or not) where you came from I do not know, maybe it was the devil, or alien species, and their understanding, but it will not be the way if there is a bowing to it.

The Blessings and the body of Christ:

1 In these things I have taught the church and the family of Christ and Mohammed, let the blessings of my protection pour out, let there be a boundary set in Jerusalem that idols may not pass, let it be the walls of the Old City and even the borders of Israel. Let the magic of the past be not upon their hearts and let their souls be free for all who are faithful. I pray in the name of the Father let them use my blood for a treasure in heaven, that they would be repentant on my life, if it is to be, that they would correct their children and their heart be turned to call on the nameless God for Salvation upon the generations if they should only not serve idols.

2 If anyone should seek help from me let anything that is not of selfish ambition or bitter envy be granted as long as I am able and it does not cause me to sin or cause Israel to fall into iniquity. No power comes through me but through the Father who sent me, and I can do nothing in power but what he grants because he is the King of kings and Lord of lords. Let unity exist between faiths and let all be at peace with each other be it your timing and

will,Lord. Amen.

3 As for the body of Christ it is said that one is the hand and one is the foot and the other the eye of the Lord and that who can say that its not needed or that one is less important, and we may join with Christ, we are indeed the very part of physical manifestation of God's flesh after inheriting the divine nature of God through the Head of Christ, now believers is it right that you should join each others body when you belong to Christ's own flesh? Does the very flesh of God attribute its nature on the church as Truth? Does the bride of Christ have to abide in the flesh of the Harlot and the groom join the flesh of both the groom and the first bride? Likeness of mind should be attained through discipline in refusing witchcraft and accepting the mind of Christ. As for eunuchs do not let them become dry trees they are still growing in the valley only far away the roots still drink the same water and they are still made up of the same kind of wood.

4 Blessings on those who do not serve idols,Lord restore the years the locust have eaten,let the crop of the believers be true and as it is Lord be it thou the crop of seven years be left as those who plant in christ order to leave it for the poor as it is just to perfect ourselves even in this life and let the spirit of death come and take and let a tenth of it be given holy unto you without taint to sort out wheat from weed and let the chaff of the wheat be shaken out, you have taught me as the chaff is so is the lack of want to sin but wheat must be ground into flour and placed in the oven mixed with oil before it is ready to eat, -Richard Eric

Repentance and Forgiveness:

1 So it comes down to this, the blood of Christ, that no sin should be forgiven save for the shedding of blood, and without his mercy no soul reconciled. The precious blood of Christ that flows through a heart eternally perpetuate through the universe, like freeing the clock of time. His blood spilled brings new life forever. How I plead for the nations and for the sinners in darkness Oh Lord that by your blood we may be freed. For those who do not know you before death I pray that in hell that even that when they are sealed of the evil one that by the end of times if their repentance shall be met if you let and they shall have been baptized before,from above, when they shall be released if in the grave and should repentance be possible, for it says that if you die in your sins you shall(without reconciliation) partake also in the second death,but only in a time of judgment from God for the end has come,but remember the truth, That it is that in the grave Christ did preach to the dead,being this true they are snatched from the fire, only unto those who are bound during the thousand year reign that refuse mercy until judgment shall be damned. So in unity let us confess our sins one to another and bless each other with the knowledge of our sins, and confess to our God that we may be cleansed, for all sins are forgivable, even the blasphemy to the Holy Spirit, in ignorance and unbelief, and let us supplicate for these sins and do what is right making up for our wrongs through good deeds and prayer. Amen.

Division and Unity:

1 In the beginning the Word was with God and the word was God,even the nameless God,and there began the unity, unity is which all creation dwelt in, The only manifestation of God was created by the nameless God and there is only One God, all others were but angels or gods(Judges, filled with the Holy Spirit)in the oneness of Love. In this thought began the division over those who chose nothingness, for it was a constant(only through condemnation) and Love which was a constant through salvation (YHVH) the world was made and all that is in it and through things likened to goodness and healing and sustenance in abounding flow of spirit the oneness of Love remained forever the sun, the animals, the plants of the earth bearing seed all manifestations of the oneness even gods and angels and man. Because of the fall of mankind into sin there was a division between the right and the wrong. The world cannot be as one unless it is purged of sinful nature, Christ did this for us bu the division will remain forever, only those who join the savior shall be saved, and those who do not join to him shall be damned, this is given unto the last day and love will not change.

Philosophy and Reason:

1 In thinking I found that the mastery of life is the mastery of death. It justice greater than injustice? We can know it is that through the defeat of death justice is greater. Injustice would be the greater if death was not defeated. True happiness comes from the heart, the very decision to be happy based on your own intent. I choose to love not

because of the consequence of sin but because it is a commandment and that it pleases the Father. I have found sometimes you must make war to make peace and also that to be free and to know others means you must first look inside yourself, in which you are mirroring the very knowledge of self to see others, this is the only way to know a person.

Powers and Baptismal and Witchcraft:

1 So I have been given authority to keep in all sincerity and have been given the divine nature by the Father, that through my prayers as a sealing by God, that I may baptize (should they be free from sin) and that all who are swayed shall repent before baptismal, it is given that all who are able shall correct their children with the rod, and that all who have voice call on the name of the Lord, YHVH for salvation, is my stand by my life, and I shall set people who obey free. For the Lord is sowing greatly in the field and works the grain and the plant.

2 First there is a seed and it must struggle through darkness with great suffering then only will it reach the light and become what it is designed to become. There is no turning back once the seed has been planted. The farmer knows this that when he sows the seed some of it will not even grow. But he knows that what does grow will be a plentiful harvest and the fruit will be nourishing to his bones. When a man comes of age and chooses to be baptized, he lays down himself, he dies to the foolish nature of his old self. He gives the Farmer his seed into his hand. Now if the seed is to be planted and is to grow and not perish it must take root. First the seed will germinate, which is repentance, then it will be put into the soil, which is the world and the test of life. You must be repentant in order to grow because Love is not wasted in power, which may sometimes be vain, power is established like the rain from God and so once you have struggled through patience to perfect yourself and have been made a fruit bearing plant you are free. Seeing the true light of day. But some do not mature, they only grow enough to see the light and then the plant refuses to produce fruit, these are those who go back to their sins after being planted. They are like the trees that grew up but once matured need to be cut off from their mother root because of corruption and grafted into the root in order to produce fruit. The fruit is the spiritual love we have for God and for each other.

3 Oh God how you have given the Gift even to those who have not repented, and of the calling, your goodness and your faith. It was dark and then it was day and the rabbit was dead, I prayed and now it lives, Lord a sign that you came forth from the grave. I walk along the path and raise up my hand and down comes fire from heaven! The very winds obey me because of my holding you. How can I grasp your judgments and your mercy when you are on your throne? I pray you give your mercy to us all and free us from the chains of sin. Give our little trees water and help us grow to bear fruit for your eternity. Let us be one! In all powers of true life.

4 Oh the powers and knowledge of Solomon, how you have tested us in craftiness with power oh Solomon, if the spirits were there with you like they are today you would go down to your grave weeping. How the sounds frequencies have deceived us for there is a pattern but sound has become the enemy to me. My mind has become inside like a pattern of sound and the evil one knows the tune. I have not known how the piper has played such a song that I have danced to for so long. Will all the world join the dance? My eyes are shut but they see, and my ears they hear other songs, songs of light and harmony. Everyone has a choice.

5 So is it simply that pharmacology is an adaptation to manipulate the body's damage and its adaptation to formulate an experience that acts how you want your patient behave? Or even herbal medicine a remedy for those who have become damaged by spiritually laid illness by surrendering parts of the body to supply needs otherwise given by the Lord? Yes chemicals and herbal medicine can change the body but at what cost? Is smoking an herb merely a manipulation to cause the body to respond rather than spiritual healing given by God? Has the devil made an interjection on the way we think according to vitamins and minerals, yes they exist, but we should worry about what we eat, God has given grain as a staff of life and that is sufficient to sustain. Why should we worry if we are eating enough of one type of food? God has always provided for our needs, is not living water as drink enough?

6 The brother to the brother says yes we thought the same, but before this it was harmony now it has become a fight for control. The minds should be alike in the believer and the heart together for we are of one purpose and let the spirit of truth be spoken if it is holy and not bound up. Let the prophet have his mouthpiece be used of the Lord in all self control of the spirit. Let no vain imagination be in your minds rather keep them of pure light so that you may see the works of the enemy and when a vision comes ask the Lord if it is from Him and stay innocent not

judging yourself for God will judge you on the last day and it is enough to examine your self at communion after your thoughts and mistakes. Love is most important for it is that which created you and can save you then as love matures in you so does your might increase, which is part of the spirit of Love and although power is mighty the power God grants you will not save unless it is having faith then power gives love then moves in self discipline and although it is the least without it you can not attain any of these. You must have these gifts to be free from witchcraft and remember it is always your choice to be free. Amen and Amen.

The Manipulation and the body:

1 First there was time and motion, the war in Heaven was great, even as we are on earth this war remains, on earth as it is in heaven and so the battle and the manipulate who is Satan, came against those who were created. Through his jealous nature overthrew the kingdom by a third. For I had an Imagination, A little spying Lion I was and Satan did kill, I was heavens martyr and now I am little lion, Guri. And so the author of sin is defeated. Let the secret of the chaos of the flies by the Lord of flies be upon the devil.

2 The Temple is Holy and that is our body, it always tells the truth through the spirit, but many do not understand. The lies of the body are always sin, even any sin except in purity. The heart is the center of your temple the throne and chamber of the Christ, your eyes are your guarding watch, your ears to hear the battle cry, your tongue is the gate in which those you allow come and go in the kingdom. Your mind is the heavens and the earth. Your nose the very holy breath of the Spirit of truth and the Spirit of Love.

Idolatry and the Machine:

1 Born of what will be the new Jerusalem, given not unto the the machine, born not of Idolatry and not given unto the temple of Satan, what is against the body of Christ and what is against the Church, the demonic philosophy and doctrines of devils and who are born of perdition and are forever lost, who must be destroyed through my focus and the freedom I offer to all who will accept it, not those of blasphemy to the holy spirit but those who are chosen and those who are free. Through the sealing of prayer and through the Spirit Allah we have the victory. Remember dear Brothers and Sisters and Family in Christ, this is his body that is broken for you. Be not of the Synagogue of Satan. Babylon once has the tower that reached Heaven now as it once was our history is repeating, in the words of Solomon there is nothing new under the sun. As we begin to Know we are known and what is written shall be fulfilled The love of money will truly be our destruction and the rebirth of a Satanic government. Woe to those who have accepted this let the curses of the Visions of damnation be upon them through the spirit of mercy through Yeshua if he wills. Be encouraged for we know the temple is holy and there is nothing that God created that is like a machine. Oh even the purest of metal cannot be human Lord. Bless what you will and use your martyr. Keep in your heart the secrets of time.

Aliens, evolution and the voyage:

There were Nephilim in those days, Giants and also there were the children of God some who were men of renown because of the joining of Moses to Hagar, if she was a daughter of men, this was the line of some of Ishmael. It is testified that Mohammed states that man as a life germ created, is this not the testimony of evolution? But yes Lord the race of Adam was also a man created from the earth, a child of God but men are donkeys so the Hindu speak? How you have chosen us from them as men. Let the precepts of the Sons of Zadok, even the Spurlocks (God willing) be upon the studies of evolution and of men. And even as the Law is a blessing to the Hebrews as you did Abel from Cain as law is testified through Moses. For it is not a name, not want to teach the law testify through Moses for do you not oh Lord even say It is written Thou shalt not Murder? Let the hypocrites repent and those who did but you have said this yes and have you not taught by what you learned from your Father (who is Nameless but spelled?) cant we not say YHVH? And have not those who have risen and will rise up to heaven come down from Heaven (even Elijah) this is even the raptured who are caught into the air? Oh blessed sky. And though this planet will last forever some shall not stay here but shall journey unto the stars even as these worlds stars diminish let it be in unity oh Lord be it your will, for it is testified in the book of Mormon that David (Dawood) shall be prince of Jerusalem in the new life, but that some shall visit worlds without end where The Father (YHVH) and the Great I Am

dwell these others cannot come worlds without end. They shall be given unto new worlds and I pray they are not given unto Mammon lest the people perish as is it so for many in this world as well. There shall be endless journeys into the stars and Christ shall lead even unto(Be it your will Yeshua) the Spiritual vessels of Space in the Oneness. It is that when Light shall leave so shall the oneness unless God is one with nothingness, Will this planet truly last forever then? Let the fires of the earth and the Light of the Lamb be enough. Amen.

Knowledge itself, Wisdom and Adam(First and Second) and the bringing about of Law:

1 Oh the endless word to be spoken of the knowledge of Christ, it is pure, it is holy, true and wise, but mostly it is absolute and it reigns as a Spirit on high above the Throne of God the Father. For the star has its place in Heaven and its ruler and each soul his place in the kingdom everywhere. The highest is the God, YHVH. The Father, Son, and Spirit are One God, but different likenesses. It is better to say one God than it is to argue how three are one. We are all One in the Spirit. Father, You are God and you oh Lord brought all things we know into existence. They are many things He(Allah) brought to life and a paradise for believers who overcome the world. Christ speaks of the knowledge of truth and in this there are what are called trees of paradise(which relate to our senses) To overcome the world is to reach enlightenment, or to realize truth.

2 As for the five trees of paradise and the five senses they are sanity(smell) reason(taste) mindfulness(touch) imagination(eyes) and intention(ears) those that acquaint themselves with all five trees will never die. How you made the worlds and the stars oh Lord so many things are great to delight and enlighten the senses. Even the stars of heaven(the angels) Did you create all stars before us? The supernatural being that was first created, and made(Yeshua)and is the one who is called the Lord of Hosts and the very Spirit's flesh in the oneness with the Father(Immortal). Adam, you are in the oneness(the divine nature, without sin)and created as the first man, you were the Lord of hosts, Translated into a man, if thou art Michael. It is on earth as it is in Heaven.

3 Each Angel because all have sinned must either choose to sin in heaven (knowing) or be made man(unknowing) The Lord is the firstborn of all creation, but Michael in his image(the Lord) is an Archangel made into a man(the ancient of days) who was created as an angel(if true)then if this is so his angelic speaks to his physical man, like the Father to the Son and then as Adam for to prove the oneness, Allah commanded that Adam be prostrated to by all the Angels (Adam, who was God in the oneness), even the Jinn angel Iblis(Lucifer) This is before the Son(the second Adam) was born to a virgin.

4 Because Adam was made in the image of God, (who is the Lord of Hosts, One) and is made in the Father's Image, who was with the Son at his throne, God in the Oneness(The Great I Am) then Christ is the Lord, who was created but as the second Adam, like the first, who was the very likeness of God. Yeshua was the Spirit made flesh like Adam and ruled as the Lord of hosts at creation and he holds the seven spirits of God in his hand and Adam you may be one of them(testified as Michael the archangel) as You were perfect in the garden, Adam you were One. But the evil one, whom God commanded to bow to you, refused and was cast down from Heaven.

5 Then started the fall of the angels. Oh evil one you tempter(be it your fault or not/nothingness) To make closed eyes, open did betray you did it not? You tempted Eve, Adams created mate, to eat of the the tree of knowledge of good and evil, of which man knew nothing of, Adam knew not the law which is of the truth. The law was brought to man to purify man and to test him, to see if it was enough for man to have faith and to see if he could obey the words of the true God and be faithful, or it would not be covered(by the blood of Christ) after the effect of the crucifixion. God made his choice in giving us the law as a testimony of his holiness, and He cannot change His mind therefore because we could not keep the law Yeshua was sent so the law could be fulfilled in that what is righteousness could still be accomplished through love and faith.

6 The law is a testimony, an agreement in binding guilt to conviction. When Adam was given women he knew the Truth which is not of testimony of good and evil for he said after Eve was taken from his rib: This is now bone of my bones and flesh of my flesh, she shall be called Woman because she was taken out of Man and they were both naked and Adam and his wife were not ashamed. Innocent as babes they were knowing nothing. Sin was their only death.

7 But you oh serpent ,according to the word, had beguiled Eve into eating of the the tree of the knowledge of

good and evil and thus opening her eyes to Good and Evil and now Adam has eaten too! The mortal flesh is upon both of you. For the wages of sin is death, but the gift of God is eternal life. Not all was lost through the ages though through the LORD was inheritance of sin unto men and their will, of righteous men, became repentant from their wickedness.

8 It is written, All have sinned and fallen short of the glory of God. Through the blood of bulls and rams, because there is no forgiveness but by the shedding of blood and through the bloodshed of our Lord Yeshua who made atonement for all sins, men were able to forgive and forget. Lord Yeshua Hamashiach, Oh second Adam? you were perfect and spotless, as a lamb is, for the sacrifice. Born of a virgin by the spirit of God outside of the life bloodline of Adam, which was spotted by the curse of sin, therefore you knew no sin. Put to death on a cross, nailed to a tree, Yeshua, you died for all of our sins, and this blood saved all of us if we would just accept the gift of salvation. This is the obedience to the law of Christ in that we should love the Lord God with all our hearts and minds and love our neighbors as ourselves. In this we obeyed all the commandments.

9 This is not the law of Moses which was given to the Lords people but a law of love. If we would but seek forgiveness where we wrong our God and neighbor through Christs blood and repent freedom would come as a wave from the ocean. Then we will mature and become ready to be washed by the rivers of freedom coming up through the waters from beneath he wake a new person, dead to the chaos which is the self, finally ceasing sins completely and being washed white as snow, being perfect as he is perfect Repent I say and believe!

10 Oh ye sinners, depart from me for I never knew you, saith the Lord, the chaos of self must not remain, for the self can only be foolish, it is full of want, which is the root of sin and sin brings anarchy. Therefore stop your sins or be released into the fire where you do not know if the Lord may snatch you out for some lost unpicked piece of fruit the remains on your limb. A dead tree is dead there is no life, and as a man is for himself so is a tree that never bears fruit. Stand strong brothers and sisters and pull towards and goal.

11 Yeshua is the Way, the Truth and the Life, because straight is the gate and narrow is the way to life and few are those who find it. Each book written by a man that spoke of Yeshua is holy and can be counted as a piece to the puzzle of life. Many eyes have seen and many ears have heard the truth but it comes out of different hearts. Knowledge is a weapon to be used against an enemy not a friend. It is also a belt of truth to protect the most precious of secrets.

12 Knowledge is a Spirit of God and God's spirit is endless, which makes knowledge endless. So it is with any of the Seven Spirits of God. Truth is Knowledge, Wisdom, Understanding, Might, Council, the Fear of the Lord, and the Spirit of the Lord. Knowledge is after prophecy if certain, and we cannot know until knowledge has been revealed in time because faith is the assurance of what we hope for and the certainty of what we do not see, and knowledge is the definition.

13 Prophecy is the agreement between two faiths and becomes knowledge after the realization of truth. As you think in your heart so are you, my friends, to give you a true taste of power. Be ye knowing before you speak and be careful not to judge for judgment is of knowledge and if you know someones sin you are not forgiving it you are condemning them. The blasphemy (to others or the holy spirit) is simply judgment itself for as you know sin when you judge you become as you have known. And as you condemn you have fallen outside of Christ (Hebrews 10:26, Romans 2:1-5) God hath forgiven our sins and forgets them, as far as the East is to the West. For if you know the Law (of Christ) then you know the Truth but the Truth is the testimony of law which is tutor and if you know the Truth then you know Love, and God is Love.

14 No one knows the fool, for the fool does not know God and there is no truth in him he ponders nothingness and there is nothing to know. Everyone sinful has been a fool and all have sinned, although some have chosen the path of wisdom by choosing not to want the sin (innocence) as a wheat seeds outer shell dies its inner seed can cause to grow this is the likeness of a fool to a wise man. The fool has no hope until he allows himself to die to his very nature. Then it is only through the suffering of the seed growing that it becomes a mature plant. If the seed cannot die it will not make fruit again. The first fruit from the dead could be the seed to be planted below like a fool for love, Although Christ was not foolish in his act of love, if to be forsaken by God was separation he could be considered foolish and of the punishment and be condemned. He could only do what the Father said, as still on the stalk, yet on the cross forsaken because of the weight of sin and planted in hell. Then, as he was, He would have shed the shell of

earthly foolishness by becoming a curse for us, and where there is no transgression no curse will light, Christ was the law, selfless and holy, and the law perished and with it the burden of sin and if the burden of sin is gone the blood of his grace has become our freedom and his body that was burnt our very life. If we eat of this body and drink of this blood we will live forever!

15 This is the partaking of his death on the cross (his blood split) and his burial and resurrected self (his body buried and risen) He rose from the dead a redeemed sacrifice and ascended free and wise, and so we see the foolishness of God for the repeating of the consequence and the forgiveness of the matter over us that shall last to the end of time. But here is wisdom: God has established the earth and even the sun will burn out just as the transferred sins of the Lamb, for you oh Lord died to sin once and for all! Praise be to God! And So, choose the right or the left, but do not sway, my brethren, for the enemy is waiting with swords and chains.

16 You must learn to walk in the Spirit, although some children like to run before walking. They usually fall down. Blessed are they who are as eager to receive God's Spirit as these, for they shall be filled. Blessed are they who opened their eyes to the light for they shall see his face. Blessed are they who suffer unto the end for they shall be perfect. Blessed are those who pray in harmony and faith in the name of the YHVH for they shall be heard. And so we build upon the rock using the same bricks over and over, the same mortar, the same words, but yes do we not also breathe the same way and eat the same way and drink the same as well? We should all be one!

17 I plead with you all whoever reads this may it be a reminder and a treasure unto you, to bless you forever! And as we piece together this great puzzle, consider my hypothesis in all I have taught, this I mind you (my teaching) is a collaboration between the Bible, the book of Mormon and the Quran and how they fit if Messiah is truly who he says, the only purpose of this is to correct what may be faulty. If I see unclear let love, for it is only by Love that I write these words and it is only one possibility in the dark, I plead with you all that only if it is true and brought to light through our testimony and prophecy that it remains pray and we will find the truth. It is said when wormwood falls to earth the waters shall be made bitter and many men shall die, Is it that this has already happened? Is it the same as when the sun rises from the west? The abomination of desolation will be placed in the temple at the time after the cross (which may be the same as the image of the beast) and the antichrist will come and the three and a half years the beast will reign and be given his wounds (possibly literal and metaphorical). The little Horn is the one that lifts himself above every god and receives the death wound.

18 If it is to be, Let the gates of paradise, where lies my dwelling, be opened before my eyes and I walk into it. It is that we shall come into in the new Jerusalem (the city) because be minded the stars shall be taken, they do diminish. Lord haste the day. The stars were made for signs and each has a span of time for it is said the earth shall remain forever but Satan will be damned (-Revelation 20:1-3) and the earth dost age oh Lord, but true that a circle is forever, and we are in the circle and sin is the only of spirits that keep us from continuation because of its lies. And this is only one of the stories of life, It is said (-Isaiah 65:20) that A child will die at 100 years (which may be misinterpreted) and that death will be made new (Revelation 21:4-5) Think of the stars infinity and the worlds those who are not to be of this world that we could be born into, everlasting to everlasting (even olam) and because there will be no death in the new heaven and earth (-Isaiah 65:20) we will be given new bodies and be part of a never ending cycle, and also It is that the eunuchs name shall not be cut off (and there is a memorial to remember) and so maybe people live a cycle from new beginning unto everlasting and those, being killed or dying (Isaiah 65:20) as sinners would only be in the thousand year reign until the new heaven and earth unto to another eternal state (either death or life). Yes Satan will be damned from the ages to the ages, or from eternal of the eternal. But even this, I question, how could it be that an earth king should bring in his glory unto the eternal kingdom?

19 The power in YHVH is far more abundant even as the way of birthing and dying of stars, providing guidance and light to us even more. Can it be that your light within us remains forever and we do not? Will our souls be caught up to heaven after be it your will, this earth perished? Or would we just cease like the earth that was to be forever? Lord you are called the First and the Last, Because there was a thought there became a mind and because a mind and body and a body, heart and because a being, earth to tread and heavens to gaze upon. From before you created time and light, God, through your very son's eyes and his heartbeat there was nothing but void (Earth).

20 So then the laws were set in motion and your wisdom portrayed as beauty. Given a breath, a man, who could cause to sin, was made in your image. You are the First, Oh Great I Am, and because you are the first created (as the son), Is it logical to believe you will be the Last to be unmade, or logical to conceive you would be the last

remaining? The Father is the only absolute eternal immortal being, the rest of us are but clothed in it, and He truly is unapproachable. Did you accomplish all things at the beginning of paradise? Is that why you are the Beginning and the end? Or are you named new and the beginning and the end be met as essence. Light created first filled the matter with essence and without it matter becomes nothing. The essence of all things is the I Am and the First and the Last is also the I Am made flesh. All elements and laws (physics and spiritual) are subject to the beginning and the end, through the I Am. Mathematically, the beginning, light (the essence) then dissipation (death) the end. Woe to those who do not know the God of Abraham, alas Salvation is of the Jews. Michael, you are One with God and he is (The Great I Am) all in all, All creation was made by God and through who will be the Christ (Life) forever, who is the Alpha and the Omega. Let the time go by then each star made with new increase from the beginning if the heavens are remade. Oh LORD you are God most high and this is your will let us take charge of our own mansion, for in our Father's house are many mansions. Are these the stars remade? Then if you will, each created in its time given to each god under El Elyon, in our realm, for ye are gods sons of the most high. Be it now if you will or before this shall be forever, God willing. May the end come with blessings we await the falseness of the devil to come to light, remember everything is True lies are nothingness.

....All who all ears let them hear. There are many books of spirit and much knowledge but the deceiver is among us and through the path of time there is much corruption by ink and pen. Be careful what you read and guard your hearts ye children of God I have written these words taken from the books I have read to give the purest knowledge I have, and a teaching, I give this as truth without prophecy as I have written things already fulfilled by all that gave and everything applied if God willed I seek no prophecy to make known that is not already known (as a teaching). I have written but to teach and for all I write, let Lord, if it be the Fathers will, but I can also be corrupted by the evil one, IN all of this I base the teaching on my hypothesis of this collaboration, but all is lost to me if it sways the gospel, let the reader decide what I propose could be the truth. All that I say I submit to Love and it be only if Love wills, Let Love. Thank you Master for how many times you have made pure these thoughts let none but this you have given remain and let us be transformed into what love has for us in store, as many times religion has been involved outside of the whole of unity and again I say truth is absolute let us begin with what is not of faction, anything that takes away from the whole, and anything that is of selfish ambition or bitter envy must be divided from the whole, or the whole would be absolved. Many of the submits of truth have swayed us into who we are now, and they were (some of them) the learnings and foolishness of God. We are always directed by the Fathers learning and he teaches us through the truth and the law, but even the law will be absolved. Let it be that we learn new words words that minus us from our past and our unlearning. Christs words. Love and peace. Amen, Love in Christ, Richard Eric Yisrael (Spurlock)

(TheEmptyreanBook.org) 3/5/2025 (Perfected by my master) there has been many changes and I want those who read to know I seek not to deceive, these are all teachings of prophecy I make no prophecy of my own, and it is truly of hypothesis and that there is no sin for those who are in absence of want, thank you all and love in Christ. This will be my last attempt at the teachings. Bless all of you in christ to protect you from where I failed, I am redeemed. Yes, Amen.
